Hi Hunter,
Attached is a picture that my neighbor's daughter sent me. I had been prospecting Endurance International (neighbor Ron is the COO) and when receiving my contact change, they looked up Rosemont and were very excited to get confirmation from me after asking that, yes, VP Joe Biden is your father.

Julia is 26 yrs old and works for Google in SF on a 1 year contract and she had skipped field hockey practice at her college to meet your dad (she is in the middle and a huge fan). Would it be possible for me to get an autograph for her? Much appreciated. I hope all is well and that your travel schedule has subsided since we last spoke this summer.
Best,
Caryn
