

CUI STORAGE

Controlled Unclassified Information Services

Starting in FY18, the Federal Records Centers Program will be able to store Controlled Unclassified Information

Advantages

- ✓ All FRCs can store “CUI Basic”
- ✓ FRCs in San Bruno, Kansas City, and the Washington National Records Center are able to store “CUI Specified”
- ✓ Staffed by federal employees who have undergone specialized training and background checks
- ✓ E.O. 13556, 32 CFR 2002, and NARA compliant
- ✓ Use same systems (e.g. ARCIS) for transfers and reference requests
- ✓ Customized service to handle all CUI categories and other requirements
