Record Group / Scheduling Group Records of the National Archives and Records Administration

Records Schedule applies to Agency-wide

Schedule Subject AUDIOVISUAL RECORDS

Internal agency concurrences will be provided No

Background Information This schedule covers the master set of audiovisual records to include photographs, video and other special media in both analog and digital formats that document the activities related to the mission of the National Archives and Records Administration (NARA).

INCLUDED are records of historical and/or noteworthy events, such as open meetings and activities where there is participation by the Archivist, Deputy Archivist and/or other senior NARA officials. Records also include any accompanying finding aids, metadata and documentation necessary for their proper identification, retrieval, and use.

EXCLUDED are derivative or business use copies of audiovisual records where the records are either transitory or specifically described and filed in other NARA approved records series items (e.g. case files of construction records, training files, volunteer programs files, workshops, etc.). Also excluded are audiovisual records not related to the mission of the agency that are covered by the General Records Schedule (GRS) and graphics files, which are created, for videos or still images that are preparatory or preliminary in purpose and are also covered by the GRS.
