LP-BHO	FOIA	1/20/2022		Higgins	Frith	-the Justice Kagan Supreme Court investiture ceremony reception ( table decor, invitation, souvenir printed	22-17304-F
		1/20/2022				My name is FOIA (b)(6) and on (b) (6), a letter was sent from President Barack Obama and the Whitehouse to me in response to a letter I had submitted online to him earlier in (b) (6). Because I wrote the letter from my heart on a sticky note and later deleted that note (assuming there's no way I would ever receive a response), I actually don't have the saved message I sent to then President Obama. I'm wondering if there might be any currently undisclosed record of my letter and its content to Obama that I could see. I am happy to verify my identity if needed. While I was, and am still, thrilled to have received a response four years ago, I would never be fully satisfied not being able to know exactly what I had sent. Thank you!	22-16541-F

LP-BHO	FOIA	1/20/2022				footage from a presidential trip in 2015. In May 2015, President Obama visited Florida to highlight the issue of climate change. During his visit, he had a Twitter Q&A from his official POTUS account. (b) (6) Later that week, the White House posted some footage from the Q&A in the West Wing Week series. The reason that I am writing then is to see if it is possible to access the entire recording from the Q&A event, because the footage that the White House posted then showed President Obama replying to one person, though in that case not me. (b) (6) I read that all the video recordings from the Obama White House would become public in 2022. The date was 28th May 2015. The location was a hurricane preparedness briefing in Miami, Florida.	22-17560-F

LP-BHO	FOIA	1/20/2022		Beckman	Matthew	I am writing to request the Presidential Daily Diary for specific dates under the Freedom of Information Act (FOIA). Specifically, I am seeking the basic Daily Diary and corresponding Appendices (but not the various backup files from which the Diary was compiled). My understanding is that these files were created by Ellen McCathran, a NARA civil servant detailed to the EOP.  Because my study is about presidents' time-management, I would like all Diaries in my sample (below) – even those whose contents are sparse, mundane, or otherwise appear unimportant. Likewise, I request that any redactions be applied to specific items within a Diary rather than by withholding the Diary altogether.  My request for the Barack Obama Presidential Library, then, is the Daily Diary & Appendices for the following dates... (see Google Drive FOIA case folder)	22-16567-F
