Jay,

Thank you for reaching out to me individually. First, I'd like to offer some background from my perspective:

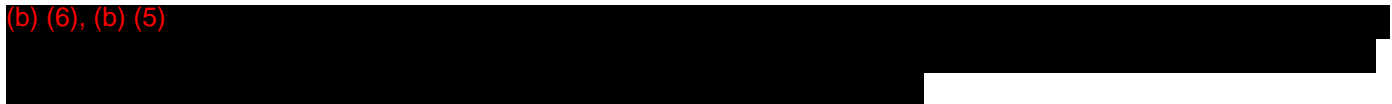

(b) (6), (b) (5)

(b) (6), (b) (5)

(b) (6), (b) (5)

(b) (6), (b) (5)

Would that work for

you?

I'm looking forward to this important new step.

Ray,

Things might change but I am starting to put pen to paper on a review process. To that end, I am looking for names of people that you think would be good for me to consider as I put together a diverse list of possible members.

I am reaching out to Susan separately - looking for your direct input.

Thanks,
