

Katherine L. Andrews (Kathy)

Ms. Andrews is currently the Security Director at Northrop Grumman leading the security function for the Defense Systems Sector. She has over 40 years of experience in a wide variety of roles, serving both the IC and DOD communities; including 37 years in Security leadership roles. She possesses strong NSA subject matter and domestic defense expertise and couples that with international security experience gained in support of UK and Australian defense and intelligence organizations. Ms. Andrews is currently the Chairperson for the AIA Industrial Security Committee and was previously the Deputy Chair for three years. She also previously served for six years as the Chairperson and principal liaison for industry with NSA for the ISWG NSA Focus Group.

Ms. Andrews has a Bachelors degree in Business Management from the University of Maryland, College Park, MD.

Ms. Andrews has worked in various level management roles in Security at Northrop Grumman for over 25 years. In addition, she has worked at Johns Hopkins Applied Physics Lab, Essex Corp, L-3 Communications/Titan Group, Sybase, and as a Government Civilian at NSA.
