

DAVE TENDER

Chief Security Officer

Dave Tender is ASRC Federal's chief security officer (CSO). As CSO, Dave is responsible for managing security and facility operations including physical and personnel security, clearances and facilities.

Dave is a seasoned security leader with over 25 years of experience. He is deeply skilled in executive security operations leadership and execution, security program development, cyber support, disaster recovery, business continuity, integration activities as well as helping align the company to meet new security compliance requirements. Prior to joining ASRC Federal, Dave was vice president, chief security officer of Perspecta where he led a 100-person enterprise security and emergency operations team and managed Perspecta's Insider Threat program. Additionally, he was the vice president, chief security officer of Vencore, Inc. where he managed a team of 50 employees supporting enterprise security operations and a budget of \$4.5 million dollars.

Dave is a board member for the National Industrial Security Program Policy Advisory Committee (NISPPAC) and vice chairman of the Intelligence Security Working Group (ISWG). In his free time, Dave enjoys indoor and outdoor activities with his family.

Dave holds both a bachelor's and master's degree in security management from American Military University.
