

Jane Dinkel

Jane has 30+ years of Security experience both in Industry and government. She joined Lockheed Martin Corporation in 2008 as the Facility Security Officer of the “AA” facility in Grand Prairie TX. Jane has served in roles of increasing responsibility and is currently Director of Security of Enterprise performance and Integrated Air Missile Defense Line-of-business which includes international sites in the United Kingdom, Japan and others as well as leading the Inspection Readiness Program for Lockheed Martin Missiles and Fire Control. During her term in Industry, Jane’s sites have earned 99.99% Superior ratings under DCSA Cog and numerous James S. Cogswell awards. Jane also provides leadership and strategic direction for Lockheed Martin on National Policy and specifically for Missiles & Fire Control regarding National Industrial Security Program compliance.

Prior to joining Lockheed Martin, Jane served 20+ years with Defense Counterintelligence and Security Agency (DCSA), formerly Defense Security Service (DSS) and Defense Investigative Service (DIS). Jane’s experience with DCSA included Field Office Chief in Dallas, Texas and Huntsville, Alabama; Industrial Security Representative, Polygraph Examiner and Investigator. Jane is also a recipient of the DSS Distinguished Service Award .

Over the years, Jane has served on a variety of government and industry working groups (WG) and committees to include Core Industry Group - DSS in Transition/DCSA in Transformation, DCSA Security Rating System WG, NISPPAC DISS Industry Team, DCSA Government and Industry Security Training Committee (GIST), NISPPAC NISPOM Re-write committee and NISPPAC Industry Policy WG, to name a few.

Jane is currently a member and was recently re-elected to her 3rd term on the NCMS Board of Directors where she has served on the NCMS Board Executive Committee as Vice President and chaired numerous national level committees including NCMS National Government & Industry Committee. Jane currently serves as the 2023 NCMS National Seminar Chair to be hosted in New Orleans, LA Jun 6-8, 2023. She also serves on the DFW Joint Security Awareness Council (JSAC) Board of Directors and JSAC Steering Committee. Jane achieved her Industrial Security Professional (ISP) certification in 2010 and re-certified in 2013, 2017 and 2019.

Jane earned a Bachelor of Science in Business Administration (Major: Finance) and a Master’s in Security Management (Concentration: Industrial Security).

When not working, Jane enjoys spending time outdoors off-roading, target shooting and hiking with her two sons (Luke and Josh), spending time with her fur-babies (Zeus, Athena and Ladybug) and traveling.
