SUBJECT: Communist Chinese Propaganda Booklet Supporting the
Negro Uprisings in the United States

1. Attached are copies of the Spanish and English versions
of a propaganda booklet prepared in Communist China supporting
the Negro uprisings in the United States. The Spanish version
was shipped to the Peoples Party - Communist in Panama and was
received from a sensitive source. The English version was
included with a copy of the May 1968 issue of Crusader.

2. The booklet, entitled, "Statement by Comrade Mao
Tse-Tung, Chairman of the Central Committee of the Communist
Party of China, in Support of the Afro-American Struggle
Against Violent Repression," is dated 15 April 1968, a few
days after the assassination of Martin Luther King. It cites
the Negro struggle in the United States as part of the world
struggle against the "yankee imperialists," asserts that
world revolution has entered a new era, and urges all people
to unite and eliminate this enemy.
