MEMORANDUM FOR THE RECORD		DATE 18 November 1976
SUBJECT Charlotte Z. BUSTOS-VIDELA		FILE NUMBER 56 840
<p>On this date, the undersigned contacted Paul RICHTER, C/LA/SEC for the purpose of establishing SUBJECT'S itinerary. RICHTER advised that SUBJECT had already called LA division today upon her return from <sup>16-28</sup> Trinidad. Apparently, SUBJECT is on home leave for approximately one month. I advised RICHTER that SUBJECT'S LA Division point of contact should be briefed regarding the possibility that Washington Post journalist Ron CASPER (ph) or KESSLER might attempt to interview SUBJECT in connection with CASPER'S investigation of the Kennedy Assassination (see my memo dated 8 October 1976, subject: Philip B. F. AGEE). I further advised RICHTER that in lieu of a personal briefing by the undersigned, SUBJECT should be briefed by her LA Division contact and that this briefing should be reported back to SAG. RICHTER advised that he would brief SUBJECT'S LAD contact and then refer SUBJECT to SAG for a detailed briefing once she reports in to Headquarters.</p>
