CSCI-3/768-017

TO: Director
 Federal Bureau of Investigation
 Attention: Mr. S. J. Papich

FROM: Deputy Director, Plans

SUBJECT: Marvin KANTOR

1. Reference is made to your file number 105-7772, concerning the above Subject.
2. We are attaching, for your additional information in this case, a report of an interview of the Subject by an officer of this agency who is known to the Subject as "Peters." You will note that a good part of this report has to do with an American named William STEINSMITH, who was mentioned in our CSCI-3/766,015, of 23 August 1961. Additional information on STEINSMITH will be the subject of a subsequent report.
3. The information in the attached report is already known to your representative in London, Mr. Charles Eates, who has suggested that the report also be forwarded to the Bureau here in Washington.
4. We have copies of documents from KANTOR's file at the United States Consulate in Copenhagen, including material concerning his wife, which can be furnished to you should you desire to see them.
