Headquarters Comments

The following report is one of a series containing personality information provided by the source and includes supplemental information from the records of this Agency.

It is requested that the addressees take no action on any of the individuals mentioned in the personality reports without first checking with this Agency.

Source identified a photograph of Silvano LORA Vicente and said he was one of a group of fifteen Dominicans who arrived in Cuba to undergo guerrilla warfare training. Source saw this group of Dominicans while they were in training school and believes that LORA was still in Cuba at the time he left because documentation for onward travel had not been prepared.

Headquarters Comment:

- 1. See CS-311/07076-64, from another source for more information on LORA who returned to the Dominican Republic on 27 November 1964, by ship, from Spain, France, Algeria, and possibly the Soviet Union.
