Dear Mr. Snyder:

I have your note and short resume that you furnished
Mr. Moyer of the State Department.

I appreciate your kindness in offering to be of service
to us on a part-time or other basis. After carefully reviewing
your background against any current or anticipated needs, I
am sorry to advise you that we just have nothing appropriate
to offer you at this time. The opportunities that are now
available are either at the entrance level, in the scientific
or technical field, or clerical areas--the part-time oppor-
tunities are generally available only in clerical work. As
you know, we have been under rigid ceiling restrictions for
about the last year and a half. Therefore, I would be less
than candid if I led you to believe that the situation was
going to change for the better in the near future.

Thank you for getting in touch with us. If an
opportunity of suitable challenge does arise, you can be sure
that we will contact you.

Sincerely,

MEMORANDUM FOR: Chief, CI Support

SUBJECT: Richard E. SNYDER
(born 10 Dec. 1919, Passaic, N.J.)

1. You advised me that Robert KENNEDY of OP had called you, asking about Subject's file (apparently he retired as a Foreign Service Officer (20 years, age 50) on 30 April 1970; he would like to do some work, on project or part-time basis). You asked if I knew of any reason why Mr. BURNES had requested flagging of OP file "to be sure inquiries would be referred to OD/Pers for further check with RI files".

2. Subject is the subject of CS file 201-748009, restricted to CI/R&A (Paul HARTMAN). From the file it is noted that Subject worked for CIA 27 Mar. '50-26 Sept. '50, resigning for personal reasons. The file was restricted because of involvement with Lee Harvey OSWALD, assassin of the late President John Kennedy. While Subject was 2nd Secretary at the US Embassy in Moscow, on 31 Oct. 1959, he interviewed Lee Harvey OSWALD, when OSWALD appeared at the US Embassy, stating that he wished to renounce his US citizenship and become a citizen of the USSR. (My review shows nothing reflecting adversely on Subject in connection with that episode). An article in the 28 Feb. 1964 edition of the Northern Virginia Sun, written by Robert S. ALLEN and Paul SCOTT, alleged that "State Department records show that OSWALD had several meetings with the CIA representative in the U.S. Embassy in Moscow. ...One State Department cable, No. 234, dated Nov. 2, 1959, reports that OSWALD was interviewed by the CIA and other embassy officials." In a memorandum dated 18 March 1964, addressed to Mr. J. Lee RANKIN, subject "Article Alleging that OSWALD Was Interviewed by CIA in Moscow", Mr. Richard Helms, then Deputy Director for Plans, commented on the allegation as follows: "I desire to state for the record that the allegation carried in this press report is utterly unfounded as far as CIA is concerned."

3. The 201 file reflects that Subject's contacts, in university circles, included [redacted] (201-012574), born ca. 1926 in Poland, who is married to the daughter of [redacted] famous Czech leader. At Agency request, Subject provided some information on and a personal assessment of [redacted]

4. I do not have personal knowledge relevant to Mr. BURNES' request, but suggest that DC/CI be queried, in the event that he might have more background information than I do.

FARENDEM, understand that by virtue of my duties in the CIA I may be the recipient of information and intelligence which concerns the present and future security of the United States and which belongs to the United States. This information and intelligence, together with the methods of collecting and handling it, are classified according to standards set in the State, War, and Navy Departments. I have read and understand the provisions of the Act of Congress of June 15, 1917 (Espionage Act), as amended, concerning the disclosure of information relating to the National Defense and I am familiar with the penalties provided for violation thereof.

3. I do solemnly swear that I will never divulge, publish nor reveal either by word, conduct, or by any other means such classified information, intelligence or knowledge, except in the performance of my official duties and in accordance with the laws of the United States, unless specifically authorized in writing in each case by the CIA.

5. I understand that my employment by the CIA is conditioned upon my understanding of and strict compliance with "Security Regulations _____," and the appendices thereto.

6. I take this obligation freely, without any mental reservation or purpose of evasion.

In witness whereof I have set my hand and seal this 9th day of November 1945.
