AGENT EVALUATION

24 August 1967

1. Name (P): LIHUFF/I
2. Project : LIHUFF
3. Overt Job Title: Manager of Large Association.
4. Covert Job Title: Contract Agent.
5. Job Description : LIHUFF/I is a contract agent who is in touch with and reports on a right-wing student organization and its activities. He also reports on a Mexican organization which sponsors the publication of a right-wing economics (monthly) journal; he has contact with a sub-agent (LICHANT/I) who is employed by both the Ministry of Education and the Mexican Social Security Institute. In addition, he is able by virtue of his overt employment, to get Dun and Bradstreet credit and other checks on business firms...American, Mexican and others. He is in contact with other right-wing organizations and individuals and has good contacts with Catholic Church authorities in Mexico.

6. Evaluation:

- a. Performance of Above Duties without Prejudice to Either One.

There is no real conflict of interest with regard to LIHUFF/I's work with WOFACT. He works only part-time for WOFACT; his overt employment gives him excellent cover for the work he does for WOFACT.

- b. Attitude towards WOFACT, Cover Organization and Present Assignment.

LIHUFF/I is a great admirer of WOFACT. He is anxious to do any assignment given him; he is grateful for the extra income (although small) which the WOFACT job gives him. He is very pleased with his present assignment, loves working for his cover organization.

- c. Security and Discretion.

LIHUFF/I has had years of work of the WOFACT type. He did the same type of work during World War II in China; has been associated with WOFACT (under unofficial cover and in contract status) in Panama and in Mexico. He is very security-conscious and discreet about his association with WOFACT and about his work with this organization.

 - D. HBMW 7147, 13 September 1966
 - E. HBMW 7197, 4 October 1966

1. In response to Reference A, the Station notified Headquarters in Reference B that the \$500 monthly subsidy to the LIHUFF student organization would cease as of 30 April 1966. Headquarters believed that the April subsidy payment reported in Reference C and charged to Project LIRANCH was to be the last payment.

2. However, in both References D and E, subsidy payments of \$500 were again given to the LIHUFF student organization for the months of August and September. These expenditures were charged to LILISP-X. The most recent renewal requests for Projects LIHUFF and LILISP-X do not contain provisions for this subsidy. Headquarters was under the impression that the subsidy would not be continued and would appreciate the Station's comments.

1. The level and the scope of authorized charges to LILISP-X for LIHUFF activities for the balance of FY64 were provided to you in Ref B. The Station should adhere rigidly to the limitations on LIHUFF's salary and the support for student activities. Should you wish to support other specific projects under LIHUFF activity such as the book to be published in Buenos Aires, your recommendations in this respect will be considered by Headquarters on a case to case basis.

2. As also indicated in Ref B, Headquarters has allocated an additional \$30,000 to Project LILISP-X for FY64 bringing the total to \$82500. This additional allotment will have to be documented and the Station is asked to submit its comments which can be used in support of it.

3. The Station is also requested to submit to Headquarters, not later than 1 June 1964, an up-dated assessment of the LIHUFF operation. If at that time the Station wishes to present a revised project for fiscal year 1965, your recommendations should be submitted with the reassessment. If your recommendations are accepted, Headquarters will then undertake to rewrite the project outline forwarded with HMA-20931 and submit the Project for approval.
