MEMORANDUM FOR: Chief, Information Services Staff
FROM : Charles A. Briggs
DDO Information Review Officer
SUBJECT : Appreciation

B.W.

1. As you know well, on September 19th, I turn over responsibility for release or denial of DDO documents under the Freedom of Information and Privacy Acts. The experience has been both frustrating and challenging, epitomizing the issues in transition from a totally classified past to a new intelligence environment yet to be defined. The tension in law between protection of sources and methods and more open government was apparent, daily, to those involved; good case law was made as we sought to adhere to both principles and to regain, through this process, some credibility for the Agency.

2. I've tried in the past to convey my appreciation for the truly magnificent support I got from what is now the Privacy and Information Action Group, through recommendations for the Unit Citation subsequently awarded by the DCI, through QSI's and promotions, and through personal comment. All have worked long hard hours and all, those now in PIAG and those who have left, deserve credit for their professional efforts in this arena; I want to express my thanks to you for the assistance your people gave to me as the DDO Information Review Officer.

3. At the risk of being unfair to some who are more recent arrivals, I want to express particular and very personal thanks to Win Brown, Cis Cass, Lou Dube, Mary Felton, Doris LeBaron, Fred McCann, Karen Rice, Helen Stilson, Jon Wolfe and Mack Wood.

4. My debt to Fred Randall [redacted] has been made a matter of record on several occasions. Let me just note here that any supervisor who has had the kind of qualitative backing that those two gentlemen gave me is fortunate indeed.

For OPF, Randall, Frederick

5. In addition to the PIAG crowd, Paul Haefner's people have had the endless and repetitive job of searching the CHAOS files and helping me deal with that most sensitive aspect of past history. Please express my thanks to them and, most particularly, to Paul himself.

6. Finally, let me make special note of the contributions from Joe Gigliotti and the retired officers handling the OSS records requests. Their particular expertise was a welcome addition to the staff support received.

7. I'm sure all will give Bob Owen, in his new role, the same high quality support that they gave to me. To state the obvious, although the win record is quite good, the race is still on.

MEMORANDUM FOR: Chairman, DDO Evaluation Board

THROUGH: C/CIG

SUBJECT: Promotion Recommendation - Frederick C. Randall to GS-15

1. This memorandum constitutes a formal recommendation that Fred Randall, GS-14/8, now Chief of the DDO Privacy Information (DDO/PIC) unit in Services Staff, be promoted to GS-15. The position calls for that grade.

2. Mr. Randall is 49 years of age; entered on duty in CIA in September 1951 as a GS-7 assigned to OSO/FDZ. He is married; has four children, served briefly in the Air Force (1945-46); has an AB in Government, an AM in Foreign Affairs, and was a PhD candidate in International Relations. His Agency service was in FE from 1953 to 1965, including overseas tours in Djakarta and Tokyo; in DOD/FRD from 1965 to March 1975, including 2 years in the DC field office; his current assignment dates from 16 March 75. His date of grade is June 1967.

3. The specifics of Mr. Randall's current assignment and all the superlatives about it I have just recounted in a fitness report which I prepared today, as well as in a QSI recommendation (approved) of October 1975 and an out-of-cycle promotion recommendation dated 8 August 1975. I rate his performance Outstanding and refer the reader(s) to the reports cited for details. I would note here that Mr. Randall changed his home base and functional category in November of 1975 and was rated number 1 of 4 Category C nominees from this Staff by all four members of the SS Panel. I would note further that when I submitted my August 75 out-of-cycle promotion recommendation, Mr. Randall's career designation was B/OG; given his personal circumstances the DDO suggested that Randall change his career designation to become more competitive "and have an excellent chance on the next go round." The QSI suggestion then resulted.

4. As the individual responsible for releasing or denying thousands of DDO documents in response to FOIA requests, and subsequently answering for DDO decisions in affidavits and court depositions, I know how well Fred does his work and how richly he deserves this promotion to GS-15.

SUBJECT: One-Time Reclaim - Requested Randall Promotion		
<p>As you know, OB is not reticent about expressing his views, and in the informal career development world, Fred had had it in FRD. I've known OB fairly well and respect his candor and professionalism; we just worked very well together on the GS-16/17 Panel, with an interestingly identical philosophy. Fred's performance did not satisfy OB, and his Fitness Reports reflect that fact. It does not surprise me, since Fred had been in FR from 1970-1975, that his Fitness Reports for the past years would put him in a neutral middle, or even low middle, ranking among B/O& officers. But that's yesterday.</p> <p>Today, as I tried to say strongly in my 8 August memo, my view of his work is that it is <u>Outstanding</u>--and I don't so rate many officers. I would hope his present work could stand on its own merit, and project forward, expecting FOIA to be a way of life in the DDO with all the management challenge, and headache, that poses. His present and future peer competition should be with the A/C crowd, not the B/O& group--if that hurdle is determining.</p> <p>At the risk of being irritating, I feel bound to state his case in what I consider the appropriate competitive environment, to avoid an out-of-cycle suggestion doing mischief to the system. Any hope?</p>

MEMORANDUM FOR: Deputy Director for Operations

SUBJECT: Out-of-Sequence Promotion Recommendation:
Fred Randall

1. We've spoken of the need to look further at both Agency and DDO implications of the Freedom of Information Act and, now, the Privacy Act, including the increased number of appeals and litigation cases, and of the logic of collecting a coterie of deponents or affiants to take some of the load off of both you and me. The grade level of the appeals officers and the deponents must include 14's and 15's, to incorporate the necessary clout with the divisions and judgment vis-a-vis release of information to the outside world.

2. Fred is a GS-14/7. He had just come to me at the time of the last GS-15 panel exercise and had not been recommended for promotion by FRD. I consider his performance over the past 6 months to have been Outstanding. He is head and shoulders above the other directorates' FIOs; I have considerable laudatory testimony from OGC, OLC, O/DDA and within the DDO as to his professionalism, tact, persuasiveness, analytic skills and realistic, while tough-minded, protection of DDO sources and methods. This includes occasional arm-wrestling with DDO branch/division/staff chiefs, OGC and OLC lawyers, FBI contacts and others above his current grade level.

3. I have discussed this proposed out-of-cycle promotion recommendation to GS-15 with Ev, who, in turn, has mentioned it to Gordon. The return signals I got sounded positive.

4. I do, therefore, recommend that you approve Fred's promotion to GS-15, effective as soon as the action can be cut.

SUBJECT : Frederick C. RANDALL, Recommendation for
Promotion to GS-14

1. It is recommended that Frederick C. Randall be promoted from GS-13 to GS-14. Subject is 40 years old and began his Agency career in 1951. He has been a GS-13 since 1958. He entered on duty at the Washington Base (then Washington Station) in August 1965.

2. Subject is responsible for Washington Base operational activity directed against FE Division targets. He replaced one GS-14 officer and one GS-13 officer who shared this responsibility before Subject's arrival. Since Subject's EOD at the Base, the tempo and quality of operations against FE targets has increased greatly. During the period before [redacted] 1966, positive intelligence reporting [redacted] handled by Subject (WUSHARK and WUFLY) made significant contributions to WOFAC assessments of Indonesian events. Reporting in recent months continues to be useful to Diakarta and; in the case of WUSHARK, Subject has [redacted] to the point of being willing [redacted] to cover FE targets there. Subject has an encyclopedic knowledge of Asian history and current events, and his handling of [redacted] excellent sophistication, perception and maturity. He has been systematic in his exploitation of the total capabilities [redacted] and has not been content to limit himself to procurement of positive or operational intelligence from [redacted] countries. At the request of the [redacted] office, Subject has guided [redacted] (WUFLY) into a close [redacted] the [redacted] has expressed its appreciation for Subject's professional handling of this and other cases in which he has

His analysis and handling of the [redacted] case is cited by way of demonstration of his willingness and ability to probe in painstaking fashion before committing the Agency; his careful [redacted] of [redacted] were key factors in the ultimate decision not to plunge ahead on this controversial case. His poise and tact in the development of the sensitive [redacted] operation has resulted in Agency [redacted]

3. An examination of Subject's file shows that he has been recommended for promotion to GS-14 a total of seven times (four by FE Division and, with this request, three times by DO Division). Aside from the fact that he is definitely performing at the GS-14 level, we believe this to be an important factor to be considered in the present promotion request.

SUBJECT : Frederick C. RANDALL, Recommendation
for Promotion to GS-14

1. It is recommended that Frederick C. Randall be promoted from GS-13 to GS-14. Subject is in Step 6 of his grade and has been a GS-13 since 1958. He entered on duty at the US Station in August 1965. A current Fitness Report is attached.

2. Subject's file indicates that he has been recommended for promotion five times: four times by his superiors in FE Division when he served in Japan, and once by the US Station in February 1966. While realizing that the 13 to 14 jump is traditionally difficult we feel that Subject's performance over the past year, when coupled with a consistently high calibre of work in previous years; deserves much-belated recognition in the form of a promotion. He continues to be responsible for the US Station's efforts to exploit the Far Eastern target, and his years of overseas experience against this target have been reflected in a realistic and imaginative approach to operations in [redacted]. His operational activity has required the handling of persons of varied nationality and stature, close contact with Headquarters representatives, liaison with the Washington Field Office of the FBI, and liaison with the US Air Force. His performance has been uniformly "Strong" and his handling of the HASHARK case has been outstanding. HASHARK, an [redacted] has been a contact of the Agency for years, but it was not until his arrival in Washington and his handling by Subject that he began to produce solid intelligence on his own country. Subject's work on this case has received a well-deserved commendation from Headquarters.

SUBJECT : Frederick C. RANDALL - Recommendation for
Promotion to GS-14

1. It is recommended that Frederick C. Randall be promoted from GS-13 to GS-14. Subject is 39 years old and began his Agency career in 1951 as a GS-7. He has been a GS-13 since 1958. He entered on duty at the US Station in August 1965. A current Fitness Report is attached.

2. As the attached Fitness Report indicates, Subject is a real plus for the US Station's efforts [redacted]

[redacted] has already resulted in a much more realistic approach to local FE targets than was the case before his arrival. In addition to the professional competence and area knowledge which Subject brings to his present position, he has an imaginative approach to operational problems and a high enthusiasm for his work. His excellent relations with colleagues within FE Division have been of considerable value in helping the [redacted] Station adjust its operational activity in the FE field to current requirements. One final--and strong--factor arguing for his promotion to GS-14 at this time: he has been in grade eight years and has been recommended for promotion four times by previous supervisors when he was on FE Division rolls.

SUBJECT: Recommendation for Promotion
of Mr. Frederick C. Randall
from GS-13 to GS-14

1. Since Mr. Frederick C. Randall joined the Agency in September 1951, he has served in Headquarters and the Field, where he worked primarily on Indonesian and Japanese affairs. He is currently assigned to Tokyo Station. Mr. Randall has been in grade as a GS-13 since September 1958. He has been recommended three times for promotion to GS-14 since September 1963. Mr. Randall is 33 years old.

2. Mr. Randall's primary duty at the Tokyo Station is Station PSRAMPART responsibilities. These responsibilities are broad and highly important to all PSRAMPART relations throughout the Far East. Through Mr. Randall's intensive effort to strengthen and increase the Agency's role in the coordination of clandestine collection activities, he has been able to set a positive pattern of effective procedures for coordination of [redacted] clandestine collection operations. These procedures are now emulated wherever possible throughout the Far East. Mr. Randall's tenacity and patience, based on solid operational Field and Headquarters' experience, have worked to a distinct advantage for the Agency in the PSRAMPART field. Chief of Station, Tokyo, has stated that the vast improvement in the local coordination business has been in large part due to Mr. Randall's good work. Further, as a supervisor and a manager Mr. Randall has quite successfully handled from [redacted] subordinates in such diverse functions as Central Registry, local [redacted] establishment, Agency participation in a multi-agency CI Repository, and as Agency [redacted].

3. During Mr. Randall's time of service at the Tokyo Station, he has demonstrated his adaptability and capability to carry on a variety of tasks and responsibilities in a variety of assignments. Chief of Station, Tokyo, has stated Mr. Randall is an excellent possible [redacted] grade of [redacted].

responsibilities. In the most recent recommendation, Chief of Station, Tokyo emphasized that Mr. Randall's performance was characterized by exceptional proficiency in all respects of his assigned duties, and, therefore, endorsed his previous recommendation, and strongly recommended Mr. Randall's promotion to GS-14 at an early date.

4. In the most recent fitness report on Mr. Randall, he was rated over-all "Strong" and was given "Outstanding" for the Specific Duty Number One, "PBRAMPART Officer." In the narrative comment on Mr. Randall's performance the rating officer characterized Mr. Randall as capable, versatile, and as having a fine career potential. Further, the rating officer stated that "because of his sound operational background, presence of mind, forceful reasoning, and the consideration [redacted] therefore holds for him, Mr. Randall has been able to play a prime part in our excellent PBRAMPART posture." The Chief of Station, in commenting on the rating officer's fitness report on Mr. Randall, heartily concurred with the rating officer's description of Mr. Randall's performance and described Mr. Randall's contribution to the Station as being of the highest caliber.

5. In endorsing the recommendation of Chief of Station, Tokyo, I wish to add that, from my personal knowledge of Mr. Randall's performance, he is a thoroughly reliable and competent case officer. In watching the PBRAMPART activities during the past year, I strongly commend Tokyo Station and Mr. Randall for effecting certain improvements of what was already a rather efficient coordination process. Mr. Randall's job is not always a happy one because he would rather be more active in clandestine operational activities; however, if Tokyo Station had a less experienced and less competent officer handling the PBRAMPART coordination activities, this particularly important area of our responsibilities would certainly suffer. For this and the reasons set forth above, Mr. Randall's performance deserves recognition by a promotion to GS-14 at this time.

MEMORANDUM FOR: FE/Personnel

SUBJECT: Promotion of RANDALL, Frederick C.

1. Mr. Randall assumed his present duties as FI operations officer for Indonesia on 26 May 1954. Prior to that time he served as Chief, CE Unit, FE/S.

2. Mr. Randall has performed his duties as FI officer for Indonesia in an extremely satisfactory manner. The monthly letter of the Senior Representative to the Director has, without exception, stated that Headquarters support of the Djakarta Station has been efficient. Mr. Randall's performance is characterized by a high degree of industry and thoroughness. He has been described as one of those individuals to whom a supervisor can assign a task, and then turn to other matters with sure confidence that the job will be completed, to the last detail, and on time.

3. Mr. Randall has demonstrated clearly his growing ability to handle larger responsibilities. His transition from a CE Unit Chief's job to that of FI operations officer for the Indonesian Unit has been smooth. Once he learns a new technique or procedural method, Mr. Randall can put it into operation without further supervision.

4. Mr. Randall is strongly recommended for promotion to GS-12.

MEMORANDUM FOR: Frederick C. Randall

SUBJECT : Acknowledgment of Evaluation Board Functional Category

REFERENCE : Evaluation Board Precepts for Your Grade

1. Based upon an examination of your past assignments and duties, and after considering likely future assignments, you have been placed (subject to your signature below) in the functional category W for Evaluation Board purposes. Precise definitions of this category are contained in the Evaluation Board precepts for your grade. This placement is made in order that your performance, growth potential, and career planning may be judged against officers similarly placed professionally. YOU ARE URGED TO STUDY THE PRECEPTS AND CONSIDER YOUR OWN CASE CAREFULLY.

2. In general, you should consider the following;
 - a. Categories are sharply defined. Competition is within categories, not between them. Thus, a weak B/OG performance is not strengthened by reclassifying it as B/OS.
 - b. A change in category after sustained performance in a different category may cause a temporary loss of momentum in your career advancement until you have demonstrated proficiency in your new assignment.
 - c. A category change should not be initiated for the period of a temporary, training or rotational assignment unless a permanent change of career track will follow.

3. If you believe that this is not the correct category for you because the substantive nature of your job more closely approximates another category or because you have made a permanent change of career track, please take the matter up through your command channel to secure the concurrence of your component of assignment or of your home base component, as appropriate, to a change of your category. Previously assigned and acknowledged categories will remain in effect until a fully executed acknowledgment of change is received by the Career Management Staff.

4. Please sign and date this notification in the space provided and return it to your Personnel Evaluation and Management Officer or to your Personnel Officer.

ACKNOWLEDGED:

Frederick C. Randall

SECTION D NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section C to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties and cost consciousness in the use of personnel, space, equipment and funds, must be commented on, if applicable. If extra space is needed to complete Section D, attach a separate sheet of paper.

I rate Mr. Randall "Outstanding" for Duty Number 1 (his principal responsibility) for this period. He had done an exceptional job of supervising, motivating, training and guiding his group in a remorseless and pressure-laden atmosphere, requiring both close attention to detail and constant alertness to broad operational and policy implications. The workload is larger and more complicated than anything I know of handled by any line operational officer with equivalent grade and responsibility. The preceding two fitness reports describe well the nature of the job. It remains only to be noted that Mr. Randall is the perfect man for the job, combining a remarkable match of leadership, operational savvy, legal and policy awareness and, perhaps most important, negotiating ability with both the Agency lawyers and legislative counsels, and the operating divisions in a bizarre situation that completely transcends the DO's need-to-know practices (Top Secret and compartmented, bigotted information must be reviewed) and yet requires the protection of our sources and methods. Dedicated, discreet, smart, and honest, Mr. Randall is very likely one of very few DO officers of his grade who could have handled this job from scratch, done so with virtually flawless output, and created a body of judgments and advice that is trusted, proven and amounts to de facto DO policy on how to protect our secrets.

Mr. Randall also has major planning obligations within INS, serving as a voting member of the PMC and three times a week with Chief, INS and other (continued)

COMMENTS OF REVIEWING OFFICIAL I agree with the letter ratings and the narrative comments above, particularly those in paragraph 1 of the narrative. Mr. Randall is a dedicated, forceful, purposeful, dependable, disciplined officer. Although his personal preference would have been to do something else, he effectively manages and leads the Freedom of Information and Privacy Group of INS--demonstrating a self reliant style which has brought great credit to work in this area in the DO and to himself. Group chiefs in a broad review of disparate IMS operations: computers, information management planning for the DO and its current services. He is articulate and effective in presenting views from the IMS/FPG vantage, but at this level, I want to see more concern about the people and activities of companion IMS elements, more brainstorming of common problems. He is the least active of the four group chiefs in this area, although he has the inquisitiveness and intellect to contribute importantly in cross-discipline problems. I find no weakness here, but Mr. Randall's contributions here do not measure up comparatively to his exceptional performance in all other areas.

In these other areas, covering duties 3 and 4, Mr. Randall and his group stimulated, staffed out and justified three remarkably successful policy changes: a Presidential statement that sources and methods information need not be classified to be protected; a DCI policy that DO records ipso facto are not releasable (despite an OGC opinion to the contrary), and a policy allowing employees access to their files without going through the FOIA or Privacy Act folderol. While not individual accomplishments by Mr. Randall, they bespeak ~~from~~ the leadership and guidance he gave, and they are typical of the kind of case officer professionalism he has and we have needed to help protect agents, operations and officers from exposure. I do think it is sad to have to divert good DO talent to disclosure law problems; but if we must, then Mr. Randall's experience and abilities have counted a great deal in such successes we have had in keeping our secrets.

Mr. Randall's fitness reporting is accurate and fair. Per HR 20-20, it is noted for the record that Mr. Randall displays appropriate concern in equal employment opportunity areas: women comprise more than half of his group. He has three minority officers. Levels of responsibility here are above Agency norm.

for this experienced supervisor. He has demonstrated his versatility and commitment by doing a job for four years that probably few other DO ops officers/managers would or could do as well as he has. For the good of his morale, the interest of his further development and in the interest of the Directorate, he has earned a change.

The merger of units which created the Information Services Staff brought Mr. Randall and his staff under my supervision for the first time. Prior to that we had been colleagues in Services Staff, whose chief wrote Mr. Randall's Fitness Report. No change in function accompanied the change in organization, however, and the praise contained in those earlier reports could be echoed here.

During 1977, Mr. Randall and his group have continued to render this Directorate outstanding service in an arena where there is little glory but the constant threat of disaster. In the preparation of materials for release under FOIA, the Privacy Act or E.O. 11652, the researcher treads a fine, barely visible line between protection of operational secrets and revelation of material properly releasable under the law. He is denied the easy choice of over-protection because each decision is subject to the scrutiny of the courts, and the Agency's credibility is on the line each time a judge challenges a deletion or the denial of a document. (That credibility is apparently quite high in the courts. We have yet to be reversed in appeals cases on information denied by PIAG on grounds of classification or sources/methods.) The research on which we rely is almost autonomous; reviews of finished cases are necessarily limited and (cont'd)

COMMENTS OF REVIEWING OFFICIAL

I think it is important first to echo the remarks in the last paragraph of the narrative above. Mr. Randall is an exceptionally proficient performer in a position that few other DO officers want to occupy. The DO is fortunate to have a person of his caliber handling FOIA and related matters.

As I see his performance, Mr. Randall has made a significant effort in advancing national intelligence objectives by doing everything possible to protect DO "sources and methods." He has represented us exceedingly well in this area and as a result, to his credit, little has gotten away through the FOIA channel. The way things are organized,

cursory, and from the beginning there has been a high premium on both technical accuracy and sound substantive judgment. As Mr. Randall himself noted in a report on his deputy, we have an enviable record as far as "flaps" are concerned; in a situation fraught with danger of inappropriate release of information we have had only five cases where release has led to embarrassment -- out of 7,000 "possibles." Mr. Randall, with typical modesty, uses the statistic in praise of others; I choose to use it to praise him. The Group's record to date is nothing short of astonishing, and Mr. Randall can take great pride in his team's accomplishments.

He has built an extremely able and dedicated team, and he is as quick as anyone I know to ascribe to individual members of that team credit for actions, ideas or progress. They respond to his fairness with loyalty and affection, and their morale in the face of constant harrassment and frustration is testimony to his leadership.

New responsibilities for support to the Office of General Counsel were added to PIAG's burdens this year. Mr. Randall opposed the move and argues (and lobbied) intelligently to preclude it, to no avail. It is to his credit that, having urged a different course of action, he set about to ensure that the unpopular new function received the same careful attention which has been the hallmark of PIAG's other work. As a consequence, our OGC-related efforts, which are very demanding and time-consuming, have the PIAG stamp of excellence on them.

Mr. Randall created the system he manages, and continues to seek ways to improve upon it. Our move to an automated index of reviewed and released documents was urged and supported by Mr. Randall, and he has been equally supportive of a new branch chief's efforts to restructure our Initial Review process. He is also quick to see and to comment on the way our efforts affect larger Agency and government equities, and vice versa.

During this year his responsibilities were broadened by the addition of our Declassification Review Branch to his Group, a reflection of our recognition of the inevitable relationship between scheduled declassification and selective declassification and release under FOIA/PA/E.O. 11652. This Branch will shortly be absorbed by the new Records Review Branch of the DDA, but PIAG will continue to be the focal point for policy formulation on declassification of DO records.

NARRATIVE COMMENTS - cont'd

Mr. Randall has expressed to me his concern about what may be viewed as a drop in his rating from my predecessor's "O" to my "S." I have assured him, and assure the reader, that this change signals no diminution in his performance or effectiveness, but rather a personal inclination to use "Outstanding" very rarely. The narrative comments above should clearly attest to that fact that I view Mr. Randall's performance as very strong, bordering on Outstanding. The Agency and the DO have been fortunate to have a man of this caliber in charge of PIAG.

REVIEWING COMMENTS - cont'd

Mr. Randall is one of the key policy makers in this area. His policies have stood the test up to now as our excellent record in the courts attests.

Having said this, it should be noted that Mr. Randall's numerous accomplishments are partly because the job was there to be created. Within the DO he cut the path which is now followed when handling FOIA matters. He has corrected and improved upon that path several times over. Thus, the time is coming for him to be given a change in assignment; an opportunity to use his managerial and supervisory skills elsewhere. He will have been in his present assignment three years in March 1978. One grows stale reviewing, sanitizing and making judgment calls in the FOIA arena day after day. Mr. Randall isn't stale yet but we should not wait until he reaches that stage to give him a new area in which to work.

My qualitative assessment and comments in Fred's February 1976 Fitness Report apply equally today; in fact, they fall short, in view of the quantitative and administrative changes of the past year.

The news headlines, the new oversight demands, an increasingly sophisticated FOIA requester group and judiciary, plus a highly organized hostile element, epitomized by the Center for National Security Studies, has made the PICG function all the more significant. Cases in litigation involving DDO materials now number 58 and the appeal pattern is now running 1:2 (i.e., one appeal for two initial requests, with subsequent litigation--anticipating deep analysis and Deputy Director-level review) compared to 1:3 last year. Appeal-level analysis is much more time-consuming, hence the backlog reduction process suffers; hence, overtime and fire-fighting remain the norm. Double-encumbered personnel detailing has raised the on-board PICG total from the 18 stated in last year's FR to 25. The managerial task of motivating workers in this continuously grinding and frustrating environment was harder this year, yet was met by Fred with the same qualities as those which led his people to write

me an unsolicited letter of appreciation for his efforts as their supervisor. We have all felt that one burns out in this kind of thing after about a year and a half; Fred and some of the first people to come aboard are a bit ground down, but, if anything, the quality has improved-- witness the fact that we have yet to lose a case in court or to be forced to release a document we thought should be denied.

Adding to the complexity of Fred's life during this period, was increasing involvement in non-FOIA litigation support, (e.g., ITT/Chile, the Socialist Workers Party case, etc.) both to me and to SA/DDO/O. Additional administrative complexity results from my having changed staffs, while being asked to retain the DDO Information Review Officer function. Hence, split daily support to me as well as periodic support to SA/DDO/O, poses a potentially ticklish situation with Fred's organizational supervisor who is Chief, ISS. In fact, Fred walks this tightrope quite well.

Finally, Fred has persistently tried to convince others that there is a critical need for a centralized capability to assess the total Agency impact of decentralized information release, whether to FOIA, congressional, judicial, news media or other non-intelligence requesters. His efforts are about to bear fruit, since this will be an EAG agenda item next month.

Whether it's bringing his professional overseas background to bear on the analysis for release process; protecting sources and methods in the now "open sunshine" context; trying to save resources and ensure efficient procedures; deal effectively and impressively with senior officers in this Agency and others; or supervise a collection of dedicated and hardworking people, firmly but with good humor and understanding, Fred has done an Outstanding job. He will be very hard to replace, and yet, he should move on.

Mr. Randall supervises the unit responsible for developing the DDO answer to Freedom of Information Act and Privacy Act requests, both at the initial request level and, increasingly, at the appeal and litigation levels. His organization is still less than one year old but has gone through several growth surges as the public reacted to the past year's publicity about CIA, demanding great amounts of information. Last March, Randall and his secretary played the role, then the T/O went from [] to its current level of []. In this period, initial requests received by the Agency reached nearly 10,000; appeals number about 300, and there are currently 31 cases in litigation, the DDO being involved in 27. Much overtime is the norm, in a backlogged, firefighting environment.

This has been uncharted sailing. Years of conditioning in sources and methods protection made analysis of DDO materials for release agonizing. The Watergate and Congressional investigation experience produced over-reaction tendencies in the Agency. As the individual responsible for releasing or denying DDO materials in the first instance, and subsequently defending DDO decisions in affidavits and adversarial oral depositions, I not only attest to the excellence of Mr. Randall's analysis and recommendations, but gratefully thank those who brought him to the job in the first instance. Frustrating and often demoralizing as his job is, he does it with real

professionalism and seems to have been made for it. As I said in a memo last October which resulted in a QSI for him, in spite of the ambiguity of the guidelines, constant pressure of short deadlines, very large volume of work and cultural trauma generated by the Acts, his performance has been Outstanding.

Earlier fitness reports, in a different context, stated or implied some reservation about his energy or initiative or independent action. I can't imagine that we're talking about the same man. Close to 95% of the mass of Agency FOIA receipts have involved the DDO. I know all of the persons involved in other directorates and said, only 6 months into this year, that Fred was head and shoulders above the others, combining professionalism, tact, persuasiveness, analytic skills, tough-mindedness and pragmatism in sources and methods protection. He suggested policy, strongly influenced implementation, and debated, usually successfully, with the lawyers, with DDO branch, division and staff chiefs, with other Agency contacts and others above his current grade level--all with a sustaining sense of humor.

As to management of his unit: he has consistently resisted empire-building opportunities, trying to keep his staff small. When growth was inevitable, he concentrated on quality in personnel selected for this atypical DDO work rather than accepting the short fix to the statistical backlog problem because routine or "passable" effort is not good enough in litigation. The best reflection of his managerial ability can be seen in an unsolicited testimony from his staff which I have attached to this report to make it a part of the official record; it is the first of its kind to come to my attention in my 23 plus years in the Agency. (If some jaded cynics in these days of non-credibility doubt the spontaneity and true feeling of Mr. Randall's staff in this action, and one or two of my staff have, I can only feel sad for them. This is a breath of fresh air to me.)

Randall has made a singularly impressive shift in direction, has changed career category and, in my judgment, has unqualifiedly demonstrated his command of the position he holds. I have recommended recognition of that fact.

MEMORANDUM FOR: Chief, Services Staff

SUBJECT: Fred Randall, C/DDO/PIC

1. This memorandum is intended to state what we, the staff of DDO/PIC, think of our Chief, Mr. Fred Randall. Mr. Randall is not aware of this memorandum.
2. We believe he is outstanding as a manager and fellow worker! His sensitive understanding of human relationships is balanced by a no-nonsense firmness to get the job done. Using extraordinary patience, brains, tact, and diplomacy, along with long hours and weekend time, he has set an example for his entire staff. Mr. Randall's deep knowledge of operations, his grasp of the implications of past operations on current activity, his determination to protect the Agency and the DDO from the devastating impact of unwarranted and unauthorized release of information, and his judgement of the fine line between what should and should not be released under appropriate law and policy, have formed a major line of protection for the USG and the Agency.
3. He has not hesitated to make decisions, nor to disagree when he felt disagreement warranted. A strong aversion to pyramid building has underlined his cost-consciousness to get the most done with the least amount of expenditures. Yet, his determination and firmness are based upon an open, objective mind, willing to listen to different views, and to change his position if he is convinced of the need for change.
4. His strong desire to aid employees in career development is re-inforced by concrete actions, positive suggestions, defined tasks, and frequent checks to assess the quality and quantity of work product.

5. The nature of the task assigned to DDO/PIC includes the word by word review of thousands of pages of documents. The impact on the Agency, and the USG, of unauthorized disclosure of secrets, adds to the weight of constant decision making, and to the strain and tension of defending a crucial perimeter. And this perimeter is under an almost daily attack of erupting crises. Mr. Randall's dedication and superior ability in handling an onerous, difficult, and complex job, filled with frustrations that would dismay and discourage others, has been truly outstanding.

6. Mr. Randall has had his finger in the dike for an incredibly long time. He has been operating in a hazardous, high pressure environment, fraught with penalties if he does not make the right decisions, and little recognized when he does. Yet, his common sense decisions have been accepted, and have become policy-- policy that ordinarily is made by very senior super-grade officers of the Agency. An assignment in DDO/PIC can burn out rapidly many competent individuals. Fred Randall is still going strong, and continuing to do an outstanding job!

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Mr. Frederick C. Randall, GS-14/7

1. This report is submitted as part of a package suggesting that Mr. Randall be awarded a QSI for his performance since becoming the DDO Freedom of Information Officer in February of this year. In this context, it is not appropriate that he see and sign this memorandum, since I want this to be a surprise. Nor, it seems, is it necessary to have a Reviewing Official for this interim report; the DDO has suggested, in commenting on my out-of-cycle recommendation of 8 August, 75 for Mr. Randall's promotion, that a memorandum be submitted recommending a QSI at this time.

2. I consider Mr. Randall's performance as DDO/FIO (now DDO/PIC, for Privacy Act and FOIA Coordinator) to be Outstanding. As I have said elsewhere, he is, in my view, the most impressive of all the Agency FIO's combining DDO professionalism, tact, persuasiveness, analytic skills and an informed, tough-minded approach toward sources and methods protection. I have received considerable laudatory comment about his work from OGC, OLC, O/DDA and within the DO.

3. From a one-man operation with secretary, the FOIA activity expanded in four months to an approved T/O of with a pending request for 5 more, and the possibility of further increases depending on public reaction to the Privacy Act and the amount of litigation that develops. Fred has done an excellent job of selecting his staff for what is an often frantic, frustrating and long-houred environment; he also manages them well, with humor and compassion and with high analysis and output standards. He is conscious of cost, particularly in human effort, in this exercise and of the need for balance in the application of secrecy criteria in today's environment. I am, obviously, impressed and pleased with his assistance, and feel comfortably supported by his group's efforts in avoiding or preparing for litigation actions in FOIA and Privacy Act cases.

Charles A. Briggs
Chief, Services Staff

I certify that I have read the above report.

during the rating period. Whereas I had indicated in his last fitness report a need for him to be more demanding in challenging faulty proposals or resolving problems which come to him at his Branch Chief level, he now exerts a good degree of initiative in independent action and offers good completed staff work to the Division Chief level for scrutiny. Mr. Randall's branch encompasses [redacted]

[redacted] He keeps effectively abreast of the operational developments coming out of each Base and represents this Division very persuasively in obtaining good guidance messages going back out to the Bases. He has also kept himself well informed on the Management by Objectives targets assigned to each of his Bases where a total of about [redacted] personnel are assigned, and has been strong in supporting his Bases' efforts to achieve these objectives.

Mr. Randall has matured nicely as a manager these past months and is on top of the many administrative, personnel and operational support problems which are of a frequently recurring nature in our type operational activity. He is also a good team player, has the best interests of this Division at heart, and gives thoroughly of himself in his job. He has worked hard in bringing himself up to his present level of performance which I appraise as an unqualified "Strong".

REVIEWING OFFICIALS COMMENTS (Frederick C. Randall)

I concur generally with the comments of the rating officer. I believe Mr. Randall has shown improvement in his handling of his Branch Chief responsibilities. I agree that he has shown greater initiative in this reporting period than in the previous ones, however, I would still like to see a somewhat greater and quicker recognition on Mr. Randall's part of operational problem areas. Granted that this is a talent that is frequently hard to develop, it is nonetheless, essential for all Branch Chiefs in this Division to achieve a high degree of operational perspicacity. Mr. Randall has the ability and needs only additional experience to improve his focus [redacted]

[redacted] He is a thoughtful and considerate supervisor, respected by his subordinates and he represents the Division very well indeed. Mr. Randall's career would be enhanced were he in a position to accept a field assignment which would get him into direct operational contact, i. e., recruiting and handling agents. Unfortunately, for family medical reasons he will apparently be confined to the Headquarters area for an indefinite period. On balance, I consider him to be a good Branch Chief who willingly works long hours and does his job well.

Mr. Randall has served under me for slightly more than three months and had just taken over his new position duties when I arrived for duty in this Division. During this brief period, however, he has displayed considerable dedication and interest in applying himself to his newly assigned tasks as Chief of one of our three operating branches. This branch which comprises [redacted]

[redacted] is shaping up nicely thus far under this supervision, and appears well organized to support the [redacted] in the months ahead. He could at times be a bit more demanding in challenging some aspects of proposals or problems at the Branch level instead of allowing them to pass on up to the Division Chief level for decision, but it is hoped that he will gradually develop his style in this direction as he becomes more accustomed to his expanded responsibilities as

Branch Chief. The thorough test of his managerial skills, however, will occur in this upcoming period when all the Bases in his Branch become operationally active on a broad front and will require a continuing high quality of supervision, guidance and support from the Branch Chief's office. I would rate his performance to date as an overall "Strong".

3. Reviewing Official's Comments:

I concur generally with the above rating. I also observed in the early days of Mr. Randall's assignment as Branch Chief, that his performance could certainly have been stronger. It took him somewhat longer than I had anticipated to really take charge of his Branch. However, I feel that as he has continued in this assignment he has made very definite progress. He is now generally well informed on the operational activities taking place in his area and has begun to exercise a greater degree of initiative and aggressiveness in handling the operational matters that cross his desk. Had I been the rating officer I probably would have given Mr. Randall a somewhat lower, more qualified "Strong" rating. If he continues to improve in the months ahead as he has in the past several, I believe he can earn an unqualified "Strong" rating for this performance.

In the less than six months since my preparation of the previous report on Mr. Randall, his overall performance has continued strong. He has effectively continued to provide the day-to-day operational support for the FR [redacted]

[redacted] The level and complexity of the operational support and guidance which he has provided with skill, sensitivity and humanness has continued uniformly high.

Mr. Randall has again effectively trained a new Intelligence Analyst with no loss of efficiency or responsiveness to the ever-increasing field requirements.

Mr. Randall has been under my supervision for 28 months [redacted] officer and has continued successfully to meet the challenges of increased responsibility. It is now planned to appoint him as Branch Chief to be responsible for the [redacted]

[redacted] The increase in complexity of this new assignment for him will be heightened by the assignment of additional operational personnel in [redacted] which will materially add to the demanding workload of his Branch. Mr. Randall continues to exercise the responsibility of providing the day-to-day operational support for the FR [redacted]. The comments that were made in the previous fitness report bear repetition. In any other Division [redacted] would involve at least an entire branch and all the supervisory responsibility that such support entails rather than a single officer with an Intelligence Analyst. Mr. Randall does all of this and has continued to do it well. During the year [redacted] have increased substantially in size and in degree and complexity of the operational activities there. COMMENTS OF REVIEWING OFFICIAL I fully concur in the overall "Strong" rating given to Mr. Randall. During this reporting period he has certainly performed in an extremely able manner. When Mr. Randall was first assigned to our Division Headquarters component, it was my distinct impression that he was very definitely lacking in energy. However, as time has progressed and he has become more experienced in our mode of operations, I am pleased to note that he pursues his operational objectives with very commendable energy and vigor. Mr. Randall writes well and quickly. I think his operational judgment is good. COMMENTS OF REVIEWING OFFICIAL

I think the narrative portion of the above rating is a thoughtful and accurate account of a conscientious officer's performance. However, I believe the letter grades are a little on the high side as I feel a precise letter description would be in the overall "S-" or "P+" category. Since I have great confidence in the rating officer, I am prepared to defer to his judgment as stated above. I think it might be noted that Mr. Randall has indeed come along very nicely in his present assignment. I believe he is eminently well qualified to perform his current job. I believe that his talents and experience are better utilized in his current assignment than they would be in a more direct operational, i. e., agent handling and

intellectually honest and has developed his organizational imagination to where he is able to identify the potential operational advantages and disadvantages on which he bases his recommendations for appropriate action.

Mr. Randall is a humanist, careful and considerate in his dealings with others, firm when necessary, scrupulously fair, with a down-to-earth approach and a sensitiveness to the nuances of the interrelations of major headquarters components all of which contribute to his Strong performance.

Mr. Randall unfailingly demonstrates a wide ranging intellectual awareness and curiosity, and is able to refine and use these in his approach to problem solving.

Mr. Randall writes well and succinctly. He continues to turn in a Strong performance and is held in high regard by the Base officers with whom he regularly deals.

recruiting situation. On balance, I have been pleased with Mr. Randall's performance and feel that he is doing a good job.

As a final statement, it is my opinion that Mr. Randall does not have the requisite GS-14 convertibility from his present desk assignment to that of an active field case officer charged with the recruitment of agents. This is not stated in denigration of Mr. Randall for there is clearly a need and a place for the type of talents he possesses. I think we have found that place in the job that he is now performing.

Mr. Randall continues to view his responsibilities with enthusiasm and serious concern. Given the complexities of dealing with every area division and staff within

DDP [redacted] --I would characterize his overall performance as evincing exceptional proficiency. This was accomplished in a period which saw [redacted] increase their striking power numerically rather significantly. In the ultimate, the real test of performance is in recruitment of foreign nationals. While recruitment is not part of Mr. Randall's duties there is no doubt that his support of the [redacted] contributed to the highest record of recruitment that [redacted] had as compared to any other year. At the same time, he consciously maintained an excellent balance in the [redacted] operational purposes. He is held in high regard by [redacted] Chiefs. Since much of the routine desk work is done by his Intel Assistant, it is a tribute to his supervisory capability that this service maintains a high rate of efficiency despite the significant increase in work, and the fact that during this period there were three different intel assistants. Since the supervisor began phasing out of his job for several months prior to 31 March, a rather conscious decision was made to have Mr. Randall in fact assume some of the responsibility of the Branch Chief. Not only has he taken these added tasks willingly and with the confidence of DO's management, but he has performed superbly.

COMMENTS OF REVIEWING OFFICIAL

I concur, generally, with the narrative portion of this report. However, I feel that it is somewhat overstated. Specifically, I would not rate his performance of Duty No. 1 as "outstanding", rather I would rate it "strong". I consider Mr. Randall a capable officer, but feel his overall performance falls somewhere on the border of a "low strong" and a "high proficient". Let me hasten to add that I am fully satisfied with Mr. Randall's performance in his present assignment, and I have every confidence that he will continue to do a completely satisfactory job.

This is Mr. Randall's first fitness report for a Headquarters assignment following nearly 9 years in the field, of which over 4 years were at the Washington Base. Even with this field background of operational activity in the USA, [redacted]

The reporting period (of 3 1/2 months) is too short a time to give a fair evaluation of Subject's performance. This much can be said. Subject has undertaken his responsibilities with enthusiasm and a willingness to learn. He has made mistakes but these were "par for the course" and none that were not retrievable and correctable. Given the way he has jumped into the fray, I would characterize his overall performance as evincing exceptional proficiency. He is conscious of and maintains a good balance in [redacted] field operational purposes. He is a good supervisor. He has more to absorb and digest in terms of the myriad problems facing an officer giving total support [redacted] He has to date made an auspicious beginning. As a desk officer, agent recruitment is not part of his duties.

This case officer is intelligent and articulate, and is capable of dealing with equanimity with intellectuals, [redacted] He has had sufficient experience in field assignments to have developed an area of expertise. His operational and intelligence reporting is organized, coherent and thorough.

Subject performs his principal duty -- handling Agreed Activities -- in outstanding fashion. In this field he represents not only this Station but other FE Stations and [redacted] in general. Because of his sound operational background, presence of mind, forceful reasoning, and the consideration the [redacted] therefore holds for him, Subject has been able to play a prime part in our excellent Agreed Activities posture out here. As a result much valuable time -- [redacted]

[redacted] has been saved both by this Station and other KUBARK elements. For this reason the Station is recommending by separate correspondence that Subject be awarded a Quality Step Increase.

Subject also performs his other duties in strong fashion. He is capable, versatile, and continues to show fine career potential.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties must be described, if applicable.

This officer has brought to bear on his current assignment his varied organization experiences in a manner which brings credit to himself as well as to the organization. His unstinting giving of himself is an outstanding attribute. The trials and tribulations of PERAMPART in an area traditionally hostile to the whole concept have made his assignment particularly challenging, always difficult, and infrequently satisfying; but he sticks to it with firm determination. His supervisory role of our Central Registry frequently catches him in the cross currents of opposing interests and priorities but he successfully calms such troubled waters. While a part of his PERAMPART activities this officer's supervision of the [redacted] has been excellent. Finally, his task under SD 4 is largely a handholding one but one which requires large amounts of tact, patience, and goodwill. There is no other Station officer performing comparable duties with whom this officer can be compared.

In the three months sub, set has been in place he has demonstrated his capacity to adapt to new conditions and situations in the face of trying to settle in. Difficult problems of establishing his household in a country new to him. He has pitched, with zeal and enthusiasm into fields of organization activity relatively new to him. Three months in such a situation is too short a time to judge actions with great validity, but it is my considered opinion that in sub, set we have found the right officer in the right place at the right time and the future looks bright.

~~This report has been prepared in accordance with the Division standards which require a sample of rating. The individual rating is not to be used in average rating and is not a satisfactory performance.~~

Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

This is Mr. Randall's first experience in a staff position. During the period under review he took firm control of his job and showed substantial improvement over his previous competent performance. His operational background and good sense have combined ^{to make} ~~and made~~ him an excellent officer, deserving of further responsibility in a field position. It should also be noted that Mr. Randall performed in excellent fashion in replacing the rater during the latter's 7-week TDY in the Fall of 1960.

This report has been prepared in accordance with the provisions of the Civil Service Regulations and is intended to be used as a basis for determining the employee's performance.

Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

Mr. Randall is an intelligent, hardworking senior officer with considerable operational background. This is his first staff assignment after long experience in one action area. He has adjusted well to this new assignment and has proved particularly effective in dealings with the Special Staffs on a variety of matters.

I would recommend that Mr. Randall be assigned to a responsible job in a field station after this tour on the FE Staff.

This report is to be prepared in accordance with the standards of the Department of Defense in rating the performance of the group. The "average" rating reflects an overall satisfactory performance.

OFFICE OF PERSONNEL

This section is provided as an aid in describing the individual. Your descriptions should not be unfavorable in itself-but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply to most persons of most people. On the right hand side of the page are four major categories of descriptions. The first category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have definite opinion that the description is not at all suited to the individual.

SECTION IV

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how well that statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

Subject has performed his duties as listed in Section (7) in a very creditable manner. Since subject is a relative newcomer to his present position and has had no field experience, he occasionally is hesitant to initiate action. However, he is clearly willing to assume responsibility when he is sure of his footing, and it will be only a question of time before he is willing and able to act in full capacity in all situations.

12. IN WHAT RESPECT IS THIS PERSON'S PERFORMANCE ON PRESENT JOB MOST NOTICEABLY GOOD OR OUTSTANDING? Subject's performance is characterized by a high degree of industriousness and thoroughness. He is one of those supremely useful individuals to whom a supervisor can assign a task, and then turn to other matters with sure confidence that the job will be completed, to the last detail and on time. 28/9/54 MAIL ROOM
13. ON WHAT ASPECT OF PERFORMANCE SHOULD THIS PERSON CONCENTRATE EFFORT FOR SELF IMPROVEMENT? Subject's command of written English can stand improvement. His writing is by no means deficient in basic requirements, but practice will be needed to insure consistent production of clear and well constructed prose.
14. COMMENT ON THIS PERSON'S ABILITY TO HANDLE GREATER RESPONSIBILITIES NOW OR IN THE FUTURE. Subject demonstrates clearly his growing ability to handle larger responsibilities. His transition from a CE Unit Chief's job, to that of the Indonesia Desk FI Chief, has been a markedly smooth one. Once a new technique or procedural method is learned, subject can put it into operation when required. He is definitely potential material for a COS slot in the field.
15. ARE THERE OTHER DUTIES WHICH BETTER SUIT THIS PERSON'S QUALIFICATIONS? (Recommend appropriate reassignment, if possible.) No
16. WHAT TRAINING OR ROTATION DO YOU RECOMMEND FOR THIS PERSON? Recommended training includes Communist Party Operations and Anti Communist Party Operations. Recommend rotation to an Indonesian field slot. Subject has now, and is increasing his knowledge of Headquarters tasks and procedures. In approximately a year, he should put such knowledge and training into effect in the field. There is every reason to believe that he will make an excellent field case officer.
17. IF PERFORMANCE DURING REPORT PERIOD HAS BEEN UNSATISFACTORY, THERE IS ATTACHED COPY OF MEMORANDUM NOTIFYING THIS PERSON OF UNSATISFACTORY PERFORMANCE.

DEFINITION OF ADJECTIVAL RATINGS

SUPERIOR:	All primary and secondary objectives have been achieved with a degree of proficiency significantly above the level required for successful operation in this area or doing more advanced work in training.
EXCELLENT:	All primary objectives have been achieved and most of the secondary ones at a level which would permit the individual to perform satisfactorily in this field or to complete successfully more advanced training.
SATISFACTORY:	All but the primary objectives have been met but many of the secondary goals have not. This grade range represents the level of proficiency of the average student with medium potentiality, or less, for actual operations or future training at a higher level.
POOR:	A few of the major objectives have been achieved but the student's performance is so limited that he would have difficulty in performing satisfactory work in this area or successfully completing training at a more advanced level.
FAILURE:	The individual failed to meet either the primary or the secondary objectives and represents an extremely poor risk for performing work in this area or doing advanced training.

MEMORANDUM FOR: Mr. Frederick Randall

FROM: John N. McMahon
Deputy Director for Operations

SUBJECT: Letter of Commendation

I have been advised that in connection with the Westinghouse FOIA litigation case you were a member of a team of employees who worked the weekend of 21-22 April to meet a court-imposed deadline. Your devotion to duty as demonstrated by giving of your time to process material for this case is most praiseworthy. I know this is not the first time that you have worked overtime to keep our good record. Thanks.

Frederick C. Randall

Dear Frederick,

Please accept my appreciation for an assignment well done as a member of the FY 1979 GS-13 Personnel Evaluation Board.

Your full-time service with the Board represents a major contribution to the Directorate's program of personnel assessment and management. Your recommendations for promotion, career development, and other matters have been very helpful.

I believe you will find on return to your regular duties that this time spent with the Board has broadened and sharpened your own focus on the personnel aspects of Agency management. I think it will make you appreciate more than ever our needs for carefully and candidly written appraisals of employees.

Thank you very much - The General
Sincerely,

MEMORANDUM FOR: Chiefs of DO Staffs and Divisions

FROM: William F. Donnelly
Chief, Information Services Staff

SUBJECT: Commendation

1. On 9 March 1978, the CIA Information Review Committee took note of the excellent work done by the Directorate of Operations in processing requests under the Freedom of Information and Privacy Acts. The Deputy Director for Operations was present, as were other Deputy Directors.

2. I would like to add my endorsement to that of the CIA/IRC and to commend all those who were/are involved in the processing of FOIA and PA requests. Although complex and time consuming, these tasks are obligatory by federal laws. In meeting the intent of the law, a difficult balance must be achieved. On the one hand, the rights of our citizens must be respected. On the other, the obligation of the Agency to protect its sources and methods must be honored. In meeting these rights and obligations, the Directorate of Operations has handled some 16,000 requests to date. In all instances where a requester has gone to the federal courts, the DO has never lost a case based upon our exemptions for sources and methods or classification.

3. This outstanding result stems directly from the very high quality of professionalism, dedication, excellent judgements by those involved, and close cooperation within the DO. These characteristics have contributed substantially to establishing legal and administrative foundations of considerable value to the U.S. Intelligence Community. As such, I request that this commendation be placed in the official files of the individuals involved for a job well done!

MEMORANDUM FOR: Acting Chief, EA/PINS

SUBJECT: Change of Home Base and Functional Category
Frederick C. Randall

1. The Services Staff recently forwarded to your office a personnel action requesting a change of home-base and functional category for Mr. Frederick C. Randall. This memorandum is intended to provide additional information regarding this change as requested by EA Personnel.

2. Mr. Randall was assigned to the Services Staff in February 1975 to serve as the Freedom of Information Officer for the DDO. This assignment followed approximately ten years of service with FR Division. Mr. Randall's performance since reporting to this Staff has been outstanding. He is currently responsible for a staff of 12 employees and with the increasing responsibilities as a result of the enactment of the Privacy Act it is anticipated that additional personnel will be required in order to handle the workload.

3. Mr. Randall has been responsive in the handling of FOI requests and is noted for his professionalism, tact, persuasiveness, and analytic skills. He has done an excellent job of establishing realistic manpower requirements for the Privacy and Information Coordinator Staff, keeping up with a heavy workload while training new employees and making constant adjustments as further experience is gained in the administration of the FOI and Privacy Acts.

4. It is my opinion, and also OIG's, that Mr. Randall's strengths are in a staff assignment such as his current one. Therefore, following discussions with Mr. Randall, it was agreed that his home-base and functional category should be changed from LMC to DAC.

5. If there are any additional questions concerning this change, I will be glad to discuss it further.

Assignment - DO Division**

1. The Personnel Management Committee of DO Division reviewed the assignment of Mr. Frederick Randall to DO Division in view of his request for a two year extension of his tour in DO and FE Division's request that DO Division consider changing his Home Base to DO.

2. The Acting Chief, DO Division has approved the committee's recommendation that (a) Mr. Randall remain in DO Division for an additional two years until July 1973, (b) Subject's Home Base not be changed to DO Division since DO does not normally Home Base personnel assigned to us on a rotational assignment, and in view of Mr. Randall's expressed desire for an overseas assignment following his two year extension in DO. Mr. Randall feels that his personal circumstances would permit him to accept an overseas assignment at that time.

MEMORANDUM FOR: Director of Personnel

THROUGH : Chairman, DDO QSI and Honor and Merit Awards Panel

SUBJECT : Request for a Quality Step Increase for Mr. Frederick C. Randall, GS-14

1. On the basis of the information presented below, it is recommended that a Quality Step Increase be approved for Mr. Frederick C. Randall.

2. Mr. Randall has been employed by the Agency since September 1951. He has spent his Agency career in the Operations Directorate serving with East Asia and Foreign Resources Divisions. He has had field assignments in Jakarta and Tokyo and spent four years at FR Base, Washington.

3. In early 1975, Mr. Randall was assigned to the Services Staff to serve as the Freedom of Information Officer for the DDO. In spite of the ambiguity of evolving guidelines, constant pressure of short deadlines, a very large volume of work and the cultural trauma the Act and its implementation generated, Mr. Randall's performance has been outstanding. He is noted for his professionalism, tact, persuasiveness, analytic skills, and realistic, while tough-minded, protection of DDO sources and methods. In addition to his FOI responsibilities, Mr. Randall was just designated the Privacy Act Coordinator for the DDO. It is still too early to predict the actual work requirements as a result of this Act, but it is anticipated that Mr. Randall will meet these added responsibilities in the same exceptional manner as he has fulfilled his FOI duties.

4. Consideration has been given to the granting of an Honor and Merit Award. However, it is felt that a Quality Step Increase will provide more appropriate recognition of Mr. Randall's outstanding performance during the past seven months in a very challenging and demanding assignment.

TO:

(Director of)

IN TURN

1. (S) I wish to commend and make a matter of record the outstanding support rendered to this organization by Mr. Frederick Randall, [redacted] from the period of July 1963 to date. Mr. Randall served as the focal point for [redacted] coordination of various collection operations in consonance with national and service directives. He was at all times most tactful and helpful, and all who came in contact with him left with the feeling that they had met a true professional.
2. (S) Mr. Randall contributed greatly to the overall morale and esprit de corps of those persons charged with the responsibility of planning for and initiating new operations to gather data of priority national [redacted] interest. He handled potentially embarrassing situations with humor, dignity and aplomb. He gave freely of himself and spent many hours in assisting us in coordinating various operations, discussing the strengths and weaknesses of proposed approaches to collecting information, and in serving as a most effective go-between this headquarters and various station chiefs in other areas when operations under way were multi-national in area. We liked, trusted, and respected him.
3. (S) Mr. Randall's outstanding effectiveness as a coordinator of intelligence collections was exemplary in nature and reflected great credit upon him and his parent organization.

SUBJECT: Notification of Approval of Quality Step Increase -
Frederick Randall

1. I am pleased to send to you the attached official notification of the approval of the Quality Step Increase which you recommended for this employee.

2. The salary increase accomplished by the award of a Quality Step Increase is important and tangible evidence of the esteem in which the employee so recognized is held. However, I believe the commendatory and incentive benefits of this award will be partially lost unless it is presented in an appropriate ceremony which will afford the individual recognition among co-workers and supervisory officials. Also, I believe such recognition serves to inspire other employees to aspire to earning such recognition.

1. On the basis of the information presented below, it is recommended that a quality step increase be approved for Frederick C. Randall.

2. Mr. Randall has been affiliated with this Agency since September 1951, and has been assigned to the Operational Support Staff at Tokyo since 1961. Mr. Randall's duties are:

[redacted] intelligence community; commanding officer of a principal Agency [redacted] supervisor of the Central Registry; supervisor of the local TSD establishment; and Agency participation in a multi-agency CI Repository and an Agency-run [redacted] Mr.

Mr. Randall's primary duty at the Tokyo Station is Station PBRAMPART responsibilities. These responsibilities are broad and highly important to all RAMPART relations throughout the Far East. Through Mr. Randall's intensive effort to strengthen and increase the Agency's role in the coordination of clandestine-collection activities, he has been able to set a positive pattern of effective procedures for coordination of the [redacted] services' clandestine collection operations. These procedures are now being emulated wherever possible throughout the Far East. Mr. Randall's tenacity and patience, based on solid operational field and Headquarters experience, have worked to a distinct advantage for the Agency in the RAMPART field. The Chief of Station, Tokyo has stated that the vast improvement in the local coordination business has been in large part due to Mr. Randall's exceptional ability to do a good job. Further, as a supervisor and a manager, he has quite successfully handled from [redacted] subordinates in the diversified functions listed above.

3. During Mr. Randall's total service at the Tokyo Station, he has demonstrated his ability and capability to carry out a variety of tasks in an exemplary manner. Mr. Randall has been in grade as a GS-13 since September 1958. He has been recommended three times for promotion to GS-14 since 1963. Due to the limited number of promotions made in this grade category, he was not selected. The Chief of Station and Chief, Far East Division request that Mr. Randall be granted a quality step increase for a long tenure of strong performance and as recognition of an outstanding job well done in his present assignment.

CONFIDENTIAL

CONFIDENTIAL

4. As stated above, Mr. Randall has continued to perform in an exceptionally strong manner and is expected to continue for the remainder of his present and future assignments. We have considered the presentation of an Honor or Merit Award; but the Division feels that a quality step increase appears to be more appropriate in this particular case due to his extended period of time in grade without promotion. Mr. Randall is scheduled for reassignment in June 1965 and we feel the granting of a quality step increase at this time will indicate our appreciation and recognition of his excellent performance.

SUBJECT: PERSONNEL QUALIFICATION QUESTIONNAIRE

1. The Agency is currently revising the system for machine coding employee qualifications, thereby permitting more complete and accurate data on all personnel. The new system will aid in implementing Agency policies on promotion from within by facilitating the selection of personnel with desired education and experience for vacancies which may occur. It is also expected that the new system will provide readily accessible statistics for planning and management purposes.

2. The attached questionnaire is designed to cover adequately those factors in which the Agency is interested. Although the information is, in a large measure, already reflected in previous forms submitted by you, it is felt that your time within the organization may enable you to emphasize those qualifications pertinent to its needs. The questionnaire also serves to bring your education and qualifications record up to date.

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment complies in conformity with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress, pertaining to appointment.

This form should be checked for bearing of office, person, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) **Identity of appointee.**—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and other pertinent papers. If the appointee qualified in a written examination, the signature on the form should be compared with the signature on the declaration sheet, which was signed in the presence of a notary. Physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) **Age.**—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such determination is made, the appointment may not be consummated.

(3) **Citizenship.** The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. Form 91 constitutes an affidavit for both purposes and is an acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointment should not be consummated until clearance has been secured from the certifying office of the Civil Service Commission.

(4) **Members of Family.**—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under permanent or permanent appointment in the competitive service, no other member of such family is eligible for permanent or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this requirement. The members of family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.
