Action Required: As stated in paragraph 3.

1. As reported in Reference A, paragraph 1, the medical/vocational rehabilitation program has reduced the number of individuals receiving monthly medical dependency payments to six "hard core" cases. One of this number, a serious medical case who resides locally, (Faustino MARTINEZ Camejo), is funded by Garcia Linos. The background of the cases and previous correspondence with Headquarters regarding resolution of the problem is contained in References B through I. Being forwarded Under Separate Cover are Attachments A, B and F, the case histories for (HERNANDEZ), (PEREZ), and (MARTINEZ). Of special interest is Reference C which forwarded case histories on (MOLINA), (ORTEGA), and (POZO) for analysis and comment by the Medical Staff. Medical reports originated subsequent to the submission of the Reference C report and are being forwarded Under Separate Cover as Attachments C, D and E.

2. The current status of each of the remaining cases is summarized as follows:

a. (HERNANDEZ Hernandez, Raul) (201-290405)
EPILEPSY

Receiving outpatient treatment from Dade County Department of Public Health Anti-Convulsive Clinic. A Clinic report dated 31 May 1966 states that (HERNANDEZ) continues to have seizures which the Clinic is attempting to control by medication. (Attachment A.) (U/S/C)

- b. ⁶(PEREZ Cruz, Roberto) ⁸(201-291762)
CANCER/Bladder Removed
Receiving outpatient treatment; most recently for a kidney infection. AMBUD-3 states that it is incredible that Subject continues to live. The case is summarized in a report prepared by Dr. Vargas in May 1966. (Attachment B) (U/S/C)
- c. ⁶(MOLINA Quintana, Jesus) ⁸(201-284434)
MENTAL
Receiving outpatient care at Jackson Memorial Hospital Department of Psychiatry. A 5 May 1966 report from the Hospital recommends that Subject continue under psychiatric outpatient care for at least another year. (Attachment C) (U/S/C)
- d. ⁶(ORTEGA Hernandez, Rafael) ⁸(201-299101)
MENTAL
Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject is very ill and in need of further psychiatric treatment. (Attachment D) (U/S/C)
- e. ⁶(POZO Greer, Rolando) ⁸(201-292760)
MENTAL
Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject has shown signs of real improvement which may result in his becoming self-supporting. (Attachment E) (U/S/C)
- ✓ f. ⁶(MARTINEZ Camejo, Faustino) (Garcia Lines. 201 not available)
BLIND (Advanced glaucoma)
Receiving outpatient care at Jackson Memorial Hospital. (Attachment F) (U/S/C)

3. It is requested that the Headquarters reviewing ⁶action ⁶described in Reference C for handling the cases of (MOLINA) (ORTEGA) and (POZO) be expanded to include all the remaining cases and that JMWAVE ⁶be informed of the conclusions reached concerning the ultimate disposition of these cases.

4. FYI. An amount of \$250,000 was originally authorized for the medical phase of the AMBUD Program. Expenditures under this program have reached a level of approximately \$245,000 with bills outstanding at the present time of \$3,250. It is evident that the cases remaining which require medical treatment as outlined above will necessitate the expenditure of sums in excess of this amount.
