CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

Dr. Luis Coate Agüero
Miami
Florida

Dear Dr. Coate:

I wish to commend you on behalf of the Central Intelligence Agency for your effective action in the Dominican Republic, which assisted materially in achieving agreement among the various political factions in that country.

Through your efforts you have aided the cause of democracy and contributed greatly to the efforts of the Organization of American States and the Government of the United States, directed at preventing further bloodshed and providing an orderly interim government for the Dominican people.

I would like to take this opportunity to thank you also for your many years of loyal service in combatting Communism in Cuba, which has done much toward inhibiting the spread of this ideology to other countries in the hemisphere.

Sincerely,

W. F. Raborn
