Unofficial to Mr. Alfred Cox.

The two individuals named below are known to have generated a plot to assassinate The President of the United States. Available information from confidential sources indicates this plot has been conceived and warn on the possibility that this plot may be executed. At this writing these two individuals are believed to be in Havana, Cuba.

Aldo Pedro Margolles y Duenas. Described as white; male; Cuban; born in Cienfuegos, Cuba, on 12-4-32. He is 5-10 in height; 170 pounds; brown eyes; brown hair; pock marked face; FBI No. 59572D.

He is Chief of the National Revolutionary Police in Cuba; also the Mayor of the city of Cienfuegos. He travels freely throughout South America spreading the Castro doctrine. He has free access to the country estate of Lazaro Cardenas, former president of Mexico, somewhere in the province of Yucatan in the eastern promontory of Mexico. He is always in contact with the Communist Party high command. This man, with the assistance of three other unknown groups, is believed to be the person to execute this plot, if one is attempted.

Emilio Aragonés y Navarro; also known as Emilio Aragonés, alias Emilito. Described as white; male; DOB 1929; about 5-8; about 200 pounds; prematurely bald - no further description.

Aragonés is believed to be the General Coordinator of the National 26th of July Movement and the National Chief of Castro's Militia. He is one of Castro's right hand men and accompanies Castro in all public appearances. Aragonés is the co-ordinator of this alleged plot. Both Aragonés and Margolles are known to have fanatical tendencies.

This service is interested in knowing the current whereabouts of these two individuals at all times. Your cooperation in this respect, and in other matters of mutual interest, is earnestly solicited.

Available photographs of these two individuals are attached.
