B. Statutory Rape

On May 23, 1962, Detective LES MC GOWAN, 5th Squad, New York City Police Department, made available the following information from the report concerning the investigation of the alleged rape committed by the subject:

On September 23, 1959, information was received from a confidential source by the New York City Police Department that the subject had sexually assaulted a 15 year old girl at Greenwood Lake, New Jersey, sometime between May and August, 1959. In addition, the subject is supposed to have paid the girl's father \$15,000.00 in order to compromise the alleged rape.

Subsequent investigation developed that the girl's name was FLORA ANN BILETTO, date of birth- July 2, 1944, and she formerly resided in Apartment 3-C, 2744 Mott Street, New York City. At the time of the investigation, she resided at 52 West Oakdale Street, Brentwood, Long Island, New York. During the investigation, Detective Lieutenant CHARLES C. DAUNER and Detective TIMOTHY V. TALTY, 5th Squad, New York City Police Department, interviewed the subject, his wife, his daughter, and the alleged victim and her father, but were unable to develop any information to substantiate the allegation.

On May 24, 1962, NY T-9 advised that he was unable to furnish any additional information concerning the alleged rape of a teenage girl by the subject.

On May 28, 1962, NY T-7 advised that he has been acquainted with SALLY BURNS all his life. He stated that he heard SALLY BURNS was involved in an affair with a 14 year old girl, but he found it hard to believe this report. However, he added that he heard BURNS was not allowed in New York City.

V. TRAVEL

On June 20, 1962, NY T-2 advised that he heard SALLY BURNS is currently in New York City. However, the informant added that he had not seen him.
