Subj claims to have been a Colonel in Gov Army during the war and saw action in Leningrad and Moscow--was wounded six times. Helsinki is his first foreign assignment. Speaks only Russian and Finnish.		
PERSONALITY (Habits, use of money, hobbies, literature, vices) When Lohwater showed subj photo of his children, subj became quite emotional and almost wept. Remarked that he and his wife have wanted to have children for past 6 yrs., but have had no success. Appeared pleasant to source, but after somewhat ruthless interview with some Finn mothers who were begging him to allow return of their sons from USSR, appeared quite stern. Source thought subj was hard Commie, although he admired the material accomplishments of US. Feels subj is very much a Sov Commie and is not defectable. Very pleasant and jovial with good sense of humor. Extremely congenial and likeable & enjoys playing the part of the host.

Soon after receiving the invitation, he and wife were in bar of Helsinki restaurant when subj and fru RASKE, a Fin Commis, came up to his table and introduced themselves. Subj mentioned source's imminent trip to USSR. Subj told source to come to Sov Emb next day to meet the Cultural Attache, who could arrange to get source to USSR and back without cost. Source invited subj and RASKE to his home for dinner following Sunday. Both accepted. SUBJ paid entire bill. When source went Sov Emb next day met Yuri VORONIN and subj, also SERGEYEV. V. invited himself to dinner with subj at source's home. Subj, VORONIN and wives went to source's for dinner, bearing many presents. RASKE did not come. Subj told source "this RASKE is a swine." Felt that it necessary to use these Fin Commis politically but that they cannot be trusted.

This is a very long report—five pages. For elaboration, see att to dispatch retained in Finland files.
In mid-December, VAINGLORY/12 told VARIATION/1 the following which V/1 passed to station. GOLUB had recently complained to Johannes VIROLAINEN that the Finn security police were not paying any attn to cases of British & American espionage in Finl, adding that the Soviets had info regarding Western espionage in Finl and would be glad to furnish it to the security police. GOLUB said some of the western cases were old & some new. Did not elaborate. Source did not say what VIROLAINEN's reply was to GOLUB.
V/1 then said it would behoove AIS officers in Hels to be as careful as possible cause it quite possible security police would receive orders to keep their eyes sharply peeled for oper involving Finnish citizens. Pendleton briefed all senior ODEARL people. ODUNIT man said he had recd a warning few days earlier from a friendly Finnish officer that another ODUNIT officer had been seen too frequently drifting driving a Volkswagen w/dipl plates around freight yards of Hel. (This was ODUNIT's energetic factory & freight car marking program.) The ODOATH man said his family had noticed Finnish policeman on the beat outside his house had recently begun to go to phone booth & make a call every time the senior ODOATH man left his house and drove towards town. Everyone took warning seriously. V/1 to tell us any further developments.

On 31 Dec 57, [VARIATION] told Sttton that Subj had visited the Min of the Interior re security police having contacts with Westerners. [V] was told that it had no connection with him; Finl a free country & people had right to talk with any one they pleased. Min of Int asked him exactly what he was driving at— Subj was evasive & gave a vague non-sequitur answer which gave no hint as to what proof the Soviets were talking about. Min of Int told GOLUB if Sov govt had any official complaints to make he should make them thru proper channels. When asked if he thought there were any deeper significance to these Sov gambits, [VARIATION/1] replied that he did not expect the Soviets to do anything more than drop these conversational hints. 01

On 21 Jan 58 Subj called [VACCINE/1] & invited him to lunch. During the lunch Subj, for some reason, wanted to impress on [V] that he manages to keep informed of certain things even though [V/1] doesn't help him. For example:

He knows that Oskari VAINONEN and Antti MAARA are in Haaparanta. He has photos of MEKARA's documents & knows that an American interrogate these men in Haaparanta. An American Captain (G. did not remember name) said, while he was drunk, that the [VACCINE] 01 detective WESTERBERG is his friend and has the job of keeping track of Soviets in Hela. He knew that there was a mtg of Scandinavian Security chiefs in Hela, in Nov & that THULIN (Sweden) + JENSEN (Denmark) & the Nor chief attended. [V/1] said this was so.) The American military has 15 persons working for them in Hela although only 7 appear in the Corps Diplomatique. Col. Bjork, the Amer Mil Att, is the man who calls the shots for Amer espionage in Finland. 2. At one point in the talk [V/1] said he took G. to task for having interests not consistent w/a diplomat's job. G. protested that his interests were purely diplomatic and that he had no other than normal consular duties.

[V/1] said that Subj had just (date not given) called 27 June 58 him and asked him to lunch, but since [V/1] was out of town [VACCINE/1] (Stanley [?]), he had to postpone the mtg w/Subj. Subj had said on the phone that he was leaving for vacation (presumably in USSR) on the 25th of June. [V/1] was to meet one hour after we left him, that is, at 1500 hrs. We suggested to [V/1] that he ask Subj about the executions in Hungary (and his associates), but [V/1] said that the question is a little bit delicate for him to put to Subj. Although we asked [V/1] how long Subj would be gone, [V/1] said he did not know but would try to find out. In reference to your mild concern re [V/1]'s relationship w/Subj (OFFA 2318, 13 Feb 58), we have occasionally suggested replies and comments designed to harass Subj, but almost without exception [V/1] has turned them down as inappropriate, just as he did on this suggestion re Hungary.

Subject, Soviet Consul who replaced I.M. SEMENOV, joined the Helsinki Consular Corps, which had previously had no Sino-Soviet bloc representative, in the fall of 1947. When C. asked him why, he gave the reason that the Amb, whom Subj described as still being new and not quite sure of himself yet, had told him he wanted him to remain in Hels as he was the only person of officer rank in the Consular Section. On the evening of 10 Sept [VAPID] & wife were at [Braxley's] home for dinner and could not resist the urge to bring up the [VAPID] Torreyson case. He had read the interrogation report which had been prepared by one of his men and had subsequently talked to GOLUB on GOLUB's initiative. GOLUB had called him & invited him to lunch and had described the incident at the airport quite factually, but [VAPID] placed very little credence in the accuracy of the account. GOLUB said that in view of the fact that the six American athletes were left behind to await visas, he could well understand that Torreyson had needled [VAPID] to the point of exasperation. He does not believe that anything further will come of the case. Certainly the Ministry of Interior plans to forget about it unless a new protest comes from the Soviet Ambassador. GOLUB told [VAPID] that [VAPID] had behaved stupidly in the whole affair and has been recalled to the Soviet Union. [VAPID] says he has already departed. GOLUB also stated that [VAPID] is a worried and upset man. Apparently the Soviets, or at least GOLUB, do not believe [VAPID]'s full story, acc to [VAPID]. The reason for this doubtfulness is that when the snapping incident occurred [VAPID] had been speaking Finnish to Torreyson. GOLUB thought it strange that [VAPID], who speaks Finnish well, should not use that language in speaking to Torreyson, who also has a fair command of Finnish.

In 20 Sept [Braxley] had lunch w/Source, to tie up routine matters of business which competition got around to GOLUB. Source had seen Subj "just the other day". [Braxley] asked [VAPID] about the trip - Source said that some weeks previous Subj had come to him w/ some [VACCINE] letters which had been mailed to [VAPID] personnel in Helsinki and had asked for [VAPID]'s assistance in investigating the matter. [VAPID] said he would be happy to help on matters of this type as long as it is kept within harmless limits. Subj told [VAPID] he would be happy to help investigation in any way he could. [VAPID] first [VAPID]'s investigated results showed that the letters had been mailed from Sweden, typed on a Swedish Hilda machine, & the envelopes had some of the stock in Helsinki stores about a year previous. Subj then asked Source to intercede w/ Swedish authorities, and [VAPID] promised to write about it.

Another topic was: Subj told [VAPID] that he had warned "his people" to be very careful in Helsinki to do nothing stupid. What he meant by "his people" was not clear other than he obviously meant just embassy personnel. [VAPID] replied rather cautiously to this by saying, "You should not be too worried about their doing stupid things since we know how to get them out discreetly." Subj rose to this by asking, "Has such an incident happened while I have been here?" [VAPID] responded, "If you don't know, then I guess I shouldn't tell you. After all, I have to keep some secrets myself." This ended that part of their conversation.

Accdg to Subj, this made travel home, as well as phone calls, too expensive. When Costille asked him where he would like to be sent next, he answered Moscow. Secuel to info given in [CFHA] 4237, above. On 9 Dec about 0830 hrs, [VALINK/8] 01 called Roodine (KUBARK) at R's home and said that he would like to see him on an urgent matter--met him half an hour later, and he related the following. GOLUB had reported to [VALINK/1] that a western agent had been arrested in the Sov Union near Iattra, but on the Sov side of the border. G. had said that the agent had been recruited in Switzerland and dispatched across the border on 19 May of 1959. The agent had come to Hels on 17 May and had been met by a man described as between 35 and 38 yrs old, about 170 cm. tall; the man smoked a pipe, spoke good English and passable Finnish. This man had driven the agent to the Finnish border in a lodge auto, bearing license plate RF-158. [VALINK/8] 01 investigated and found that the car was owned by [Torreyson's] (unilateral of [TORREYSON'S]) firm and thought therefore that [TORREYSON] might be involved. He wanted to warn us, so called Roodine. Roodine checked our 3 military attaches' offices w/neg results and then went to [Torreyson] if find out if he had even loaned his car for any such trips or was somehow involved indirectly. Negative answer. Roodine thinks the whole story is provocation, concocted by the Soviets and set afoot thru GOLUB to serve as a counter-balance to recent revelations of Sov espionage in Finl. (See sub Joint Weeks for 11 Dec 59)(sic). Roodine goes on to say that it is interesting that the Communist newspaper Hansen Utiset carried an editorial on the 10th of Dec accusing the Security Police of not investigating cases of western espionage. *T.A.*

On 21 May VALINKA was informed by GOLUB that he (G.) had been summoned to Leningrad for a mtg w/a repr of the Soviet Internal Security Police (presumably MVD). While there, GOLUB had been instructed to determine what security precaution the Police of Sweden, Norway and Denmark plan to take to insure the safety of KHRUSHCHEV during his August visit to the Scan countries. During the conversation, G. was very critical of his Soviet colleagues in Stoc, Oslo and Cope, for their failure to develop close relations w/repns of the Security Police of those countries. G. was worried not only about his own inability to develop the info requested, but also for the safety of K. during this trip. G. did not know for sure whther K. would visit Finland on this trip, but believed that if he did, it would occur after the visit to the other 3 countries, and that any visit to Finl would be purely unofficial.
