Scope and Content

The materials in this series are selective, not necessarily all-inclusive, body of records responsive to the topic of FOIA case 2022-0120-F. The researcher submitted a Freedom of Information Act (FOIA) request for records for Biden Vice Presidential records concerning White House visits and official travel with his son Hunter Biden and brother James (Jim) Biden and narrowed their request to specific terms.

This email is an official invitation dated March 25, 2013 from Kellen Suber of the Office Vice President to members of the Biden family to attend a Delaware National Monument Celebration taking place on March 26, 2013 in New Castle, Delaware, including Jim Biden and Hunter Biden.

System of Arrangement

Records responsive to this FOIA request were found in the Biden Vice Presidential Electronic Records collection which includes email messages and electronic files. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama. These electronic records are born-digital files and are primarily .eml, .pdf, .wpd, and .doc files.

The responsive electronic records retrieved from EOP ERA are saved in search results lists (SRLs) and are arranged chronologically by creation date. The following is a list of the SRLs saved and processed in response to FOIA 2022-120-F[2]:
