Scope and Content

The materials in this series are a selective, not necessarily all inclusive, body of records responsive to the topic of FOIA case 2022-0121-F.

This series consists of email messages from July 2012 to December 2013 that include the company name "Rosemont Seneca." The email messages include White House guests lists for the Turkey State Luncheon held on May 16, 2013, and France State Dinner held on February 11, 2014 in which Hunter Biden attended. There are also emails related to Hunter Biden's selection to serve in the Navy Reserve and an invitation to Hunter Biden for the 2013 Medal of Freedom ceremony reception. Additional email messages include an invitation for Vice President Biden to attend an event at the UCLA Burkle Center for International Relations and an invitation to Dr. Biden from the World Food Program USA to participate in the Live Below the Line campaign.

System of Arrangement

Records responsive to this FOIA request were found in the Biden Vice Presidential Electronic Records collection which includes email messages and electronic files. These records are maintained in the Executive Office of the President instance of the Electronic Records Archive (EOP ERA) which contains electronic records created or received by the administration of President Barack Obama. These electronic records are born-digital files and are primarily .eml, .pdf, .wpd, and .doc files.

The responsive electronic records retrieved from EOP ERA are saved in search results lists (SRLs) and are arranged chronologically by creation date. The following is a list of the SRLs saved and processed in response to FOIA 2022-0121-F [7]:
