Transfer Request: General Information - Access Restrictions

The **Access Restrictions** section allows you to choose one of three **Access Restrictions status options**. Subsequent steps change based on your selection. Specific instructions for each option appear on the next page(s).

Note: You will not be able to move forward in the section unless you select from whether the records are *national security classified, declassified, or unclassified.* (See Figures 1 and 2)

Access Restrictions Status options in ERA 2.0 include:

Unrestricted - The records are available for public release.

Restricted-Partly - Some records in a transfer are restricted from public release but others are not.

Restricted-Fully - The entire transfer is restricted from public release.

Unrestricted Status

If you select *unrestricted* in the Access Restrictions Status drop down menu, there are no additional screens.

<u>Click here to move on to instructions for handling the questions on the Privacy</u> <u>Act and CUI</u>.

Restricted Partly and Restricted Fully Status

If you select *Restricted Partly* or *Restricted Fully* in the Access **Restrictions Status** drop-down menu, the **Specific Access Restriction** drop-down menu displays.

Select all options that apply.

FOIA (b)(1) Security Classification and Special Markings

If you select *FOIA* (*b*)(1), the Security Classification and Special Markings menus appear as shown below.

After selecting your *Accession Restrictions status* and answering the *Privacy Act* and *CUI questions* (and all resulting questions that result), click the *Next* button.

The **Location** section appears.

CUI Safeguarding and/or Dissemination Authority

Use the following steps to locate the appropriate CUI Safeguarding and/or Dissemination Authority:

- 1. Go to the <u>CUI Registry web page</u> in your web browser.
- Locate and click the appropriate *Category* in the Organizational Index Grouping column that applies to your records. The category page will open.
- Scroll down to view the Safeguarding and/or Dissemination Authority entry.

Remember to go back and input *the proper authority* into the ERA 2.0 Safeguarding and/or Dissemination Authority field.
