Hello again,

My mom has had some health issues since you sent her this picture and she is now in a rehab center for a broken femur. The one thing she asked me to bring her was this picture of her and your dad from Chef Geoff's last year.

She's having some memory and behavior problems, made worse by the fall last week and the anesthesia, and is refusing to do physical therapy, which does not bode well for her logevity.

I know it would make a difference if your dad might send her a picture of himself --and any note about doing her PT! Her name and address is

Suzi Gookin

As a matter of fact, just hours before she fell we were dining at Bonaparte's in Georgetown and chatting for a long time about books with one of your dad's new advisors, Jose Cerda. If you happen to have his e-mail address, he'd probably want to know about this, too. He didn't have his cards on him, but I have cc'd this to an old address I found online that may get to him.

Thanks for everything--I hope you don't feel I am too presumptuous, but my mom is a long-time fan of your father's and I know anything from him would really help.

Hello, again.

Do you possibly have my mother's picture in another version/larger size or resolution? It just came as 32 KB, and I can't enlarge it or print a larger copy without it getting blurry. Someone here (I work for the Arlington County Board) thought it might have been small because of the way it was sent (perhaps made smaller so it would mail more easily), and probably not because your camera is set to a low resolution.

I know you're busy, but it would really make my mom's year if she could print this out and give copies to her family.

(I'm hoping it's not been erased yet, of course!)

Thanks again.

Liza

Hi, Hunter,

Thanks so much for the picture. Mom doesn't have Internet so she hasn't seen it yet, but she is thrilled.

So nice of you to forward it.

Liza
