1	FIRE PROTECTION (Table 92-1) Applicable Air Force-wide  The purpose of this submission is to establish a new rule 16 to cover the disposition of AF Form 592, USAF Welding, Cutting and Brazing Permit. This form is kept by the fire departments and may be disposed of 30 days after completion of the project/contract with which the operation is associated. Should a fire result from such operations, it would occur before the 30-day maintenance period expires. The AF Form 592 would become a part of the investigation report.  These forms were formerly kept in rule 6, however, due to a Model Installation Program recommendation, it was suggested that they be kept for a lesser period of time. The functional manager has agreed on the proposed retention, therefore, we need to make a separate rule for this record. Please expedite.	NCI-AFU-84-14	1 item
