1	ADMINISTRATIVE PATIENT RECORDS (Table 168-3) (Applicable Air Force-wide) Rule 7. The disposition of these records should apply only to the occupational therapy treatment records used to record patient identification and attendance data. The physical therapy services records mentioned in the rule are actually a part of the patient's medical records, and are filed in either the inpatient (clinical) record or outpatient (health) record. A medical regulation provides guidance telling medical personnel how to file the physical therapy services records. As such, Columns A and B are revised to describe only the occupational therapy treatment records for disposition after one year.	NN-170-33
