JUSTIFICATION TO ACCOMPANY SF-115 ON TABLE 70-13

The Air Force needs to add rule 8 to table 70-13 in AFR 12-50, Volume II. This new rule needs to be established to cover disposition criteria for files on air carriers that include solicitations/contracts/performance specifications, survey reports, financial evaluations, and related records. These records are on file only in the Headquarters Military Airlift Command/TRCC and are created as a result of on-site surveys accomplished prior to an award of a DOD airlift contract. Hq MAC is the DOD executive agent for this purpose. HQ MAC/TRCC performs these on-site surveys. The proposed disposition is more than adequate to meet the requirements of the Department of the Air Force and the Department of Defense. Recommend approval of the disposition criteria.
