Schedule Number: N1-AFU-86-056

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

Description:

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records under a single job number. The two schedules match. This schedule was therefore superseded by N1-AFU-90-003.

	CLINICAL RECORDS (Table 168-4) (Applicable Air Force-wide)		
1	We are revising rules for clinical records of NATO and foreign national (allied and neutral) military personnel to be compatible with Army procedures (AR 340-18, The Army Functional Files System) and to meet NATO requirements. See also similar changes in Table 168-5. Rule 13. Changed to cover only the clinical records of NATO military personnel and their dependents (1986 and later for dependents). Clinical records of allied and neutral, now known as foreign national military personnel, are now covered in Rules 14 and 15. These records changes are possible as Rule 13 clinical records are not retired to NPRC. The disposition includes minor procedural changes.	NN-170-33	
2	Rules 14 and 15. Changed to add the clinical records of foreign national military personnel except NATO (currently Rule 13) and includes the clinical records of dependents of NATO military personnel only for prior 1986. Non-NATO foreign military personnel clinical records were previously given to the military member, but they are now to be retired to NPRC. These rules continue to cover the clinical records of non-military foreign nationals and dependents of military and non-military foreign nationals.	NN-170-33
