## JUSTIFICATION TO ACCOMPANY SF 115 PERTAINING TO TABLE 177-21, RULE 4.1

The Air Force needs to increase the retention period for the two items described in rule 4.1 (AF Forms 2806 and 2807) from the current three years to 56 years. These records covered by rule 4.1 are not the record copies, but duplicates. The AF Form 2806 is microfilmed at each of the Accounting and Finance Offices (AFO) locally and forwarded to the Headquarters Accounting and Finance Center (AFAFC) in Denver, Colorado. An extra copy of the AF Form 2807 is produced locally by the AFOs and also forwarded to the Headquarters AFAFC. There these forms are used to recreate lost records, to assist in balancing reports, and to answer all sorts of inquiries.

Most of these inquiries come from the Office of Personnel Management (OPM) because they are unable to locate the retirement forms that are supposed to be maintained by OPM for federal employees that have left the government. Often, much more than three years have passed since the employee has left government service and the Air Force cannot help the employee or OPM. This situation is not satisfactory for either the government or the employee. We therefore propose to maintain microfilmed copies of both these forms for a 56-year period at the AFAFC to satisfy Air Force and government requirements.

Your favorable consideration and approval is requested.
