7. ITEM NO.	8. DESCRIPTION OF ITEM AND PROPOSED DISPOSITION	9. GRS OR SUPERSEDED JOB CITATION	10. ACTION TAKEN (NARA USE ONLY)
	<p>ONE-TIME AUTHORIZATION FOR EARLY DISPOSAL OF SHORT TERM TEMPORARY RECORDS DUE TO CLOSURE OF GEORGE AIR FORCE BASE, CALIFORNIA</p> <p>Request NARA approval allowing George AFB to destroy their temporary records listed in attachment 1, as requested by NARA per attachment 2. George AFB, scheduled to close in October 1992, will transfer temporary records not eligible for destruction to the Los Angeles (Laguna Niguel) Federal Records Center vice San Francisco Federal Records Center mentioned in attachment 2.</p> <p>Pen and ink changes on attachment 1 reflect the following: Records crossed out entirely means that NARA approved their destruction in prior base closure actions. Records with disposition dates partially crossed out or changed means that NARA approved the destruction of these and earlier years records and now we need approval of the later years records. Also, records disposition dates often cover future 1992 records. For example, Item 14 in attachment 1 shows 2 year medical logistics letters scheduled for destruction in January 1995; which means these are 1992 records.</p>
