1	DEPENDENTS' SCHOOL RECORDS (214-1) (Applicable to Air Force Dependents' Schools)  The attached change to AFM 12-50, table 214-1, rule 11, proposes disposal of individual student records and transcript for grades 9 through 12 after 75 years instead of permanent retention. Student records at adult Air Force schools which are accredited for educational experiences in the Armed Forces, such as at the Air University and the USAF School of Aerospace Medicine, are disposable 30 years after graduation. However, because of the lower age of dependent school children, 75 years after graduation is considered more appropriate for dependent schools.	NC174-106, Item 2
