1	OSI INTERNAL SECURITY INVESTIGATIONS (ISIs)(124-7) (Applicable Air Force-wide)  See attached table 124-7, rules 2 and 3 have been revised as a direct result of a reevaluation study conducted by AFOSI. Based on this study, the disposition has been changed from 30 years to read 15 years. A 15 year retention period after the last investigative action is reasonable. Further, the scope of a background investigation is the latter 15 years of an individual's life; therefore, maintaining favorably adjudicated internal security files beyond that period is not warranted. The above disposition is adequate to provide all legal and administrative requirements of the Air Force.	T124-7 Rules 2 and 3
