

INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: NC1-AFU-78-04

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

Description:

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records (dated 1987) under a single job number. This schedule contains only temporary items, has not otherwise been superseded, and significantly predates the 1987 manual. Therefore it is assumed that this schedule is superseded by N1-AFU-90-003.

1	GROUND C-E FACILITY PROGRAMMING, PLANS, AND TECHNICAL REPORTS (Table 100-4) (Applicable Air Force-wide) The attached proposed change to table 100-4 intends to consolidate the current rules 6, 7, and 8 into one rule with a retention period change from 3 years to 1 year. The Air Force activities involved have no requirement to refer to a cancelled program after a one year period. Therefore, a longer retention period for cancelled programs documentation is not warranted. The proposed new retention criteria adequately meets Air Force requirements.	NCL-AFU-77-42
