Schedule Number: NC1-AFU-79-11

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

Description:

> In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records (dated 1987) under a single job number. This schedule contains only temporary items, has not otherwise been superseded, and significantly predates the 1987 manual. Therefore it is assumed that this schedule is superseded by N1-AFU-90-003.

	UNSOLICITED PROPOSALS (Tables 80-1 and 80-5) (Applicable Air Force-wide) The purpose of this submission is to revise disposal authorities for unsolicited proposals received by Air Force research and development activities. Rejected unsolicited proposals related to research and development planning and programming are currently scheduled for destruction after five years (Table 80-1, Rule 17); similar documents related to operational tests and evaluation are scheduled for destruction after three years (Table 80-5, Rule 14). Our request proposes destruction of both series after six months. Surveys show there is little reference to these documents after their initial evaluation and that our proposed criteria will satisfy our current requirements.	NN 170-33
