

# INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

## **Schedule Number: NC1-AFU-83-051**

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

### Description:

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records (dated 1987) under a single job number. This schedule contains only temporary items, has not otherwise been superseded, and significantly predates the 1987 manual. Therefore it is assumed that this schedule is superseded by N1-AFU-90-003.

can be activated and brought up-to-date readily. This saves a lot of processing time. The selected folders are used as long as the individual is in the attache service to monitor their career. The records can be destroyed when it is determined that the person will not be nominated again, when the individual leaves the attache service or when the records are no longer needed for reference purposes. They will not be entered into the federal records center system.
